1. Email your order to Customer Service
   orders@highmarkergo.com

ORDER ACKNOWLEDGMENT:
An order acknowledgement will be sent to you upon receipt of the order to confirm quantities, items ordered and prices effective at the time of the order acceptance (Prices may vary from the published list) . In the case of a credit issue, no acknowledgement will be sent out until credit clearance has been finalized. Lead times are based upon the receipt of a correct, legible order that has been approved for credit. If the order is subject to a credit hold, then standard lead times will be applied at the date the order has been released from credit hold.

In the event an order is delayed for credit reasons, the following may occur: 1) the order is held and the customer will be notified; 2) the order will be accepted but production and shipment will not commence. Production and shipping will be promptly scheduled (based upon standard lead times) after release of credit hold.

Order processing will be delayed and begins only after receipt of proper and complete information (including patterns, colors, options, and pricing).

Be sure to examine your acknowledgement carefully for any discrepancies. If there are any, email Customer Service immediately – customerservice@highmarkergo.com. Shipping dates are estimates. HIGHMARK will not accept cancellations for failure to ship as acknowledged.

ORDER CHANGES AND CANCELLATIONS:
The order acknowledgment provided by HIGHMARK will be deemed as the final and approved order. All prior correspondence, orders or conversations are superseded by the acknowledgment. Orders may not be revised or canceled without our approval. We will accept changes, additions or cancellations in writing via email (customerservice@highmarkergo.com) if received in writing within 24 hours. Additions or changes to orders, when accepted, may cause delays in shipping. For 48 Hour Speed Ship program, changes, additions or cancellations must be received before 5 PM PST on the same day the order is placed. HIGHMARK customer service must approve 48 Hour Speed Ship changes. Orders received after 4:30 PM PST will be entered the subsequent business day.

1. HIGHMARK will not accept cancellations after the work has begun. Material cutting normally begins within 48 hours of credit approval. If a cancellation of a standard product can be accommodated, there will be a 30% restocking charge. All special orders (i.e., special modifications to basic configuration of the product or fabric) may not be canceled or returned. COM/COV or COL orders may not be returned or cancelled if the work has started.

1. Check all cartons on sight/time of delivery and note any damage on freight bill or express receipt, and then have carrier and receiver sign freight bill or express receipt.
2. When noting damage on freight bill or express receipt, be as specific as possible (include model number on label, position of damage, and any other information that will help the freight company verify the claim).
3. Save the carton
4. Be timely (within 10 days - beyond this, it is extremely difficult to recover costs).
