SURPLUS VEHICLE AUCTIONS SCHEDULED STATEWIDE THROUGH DECEMBER
New York State Surplus Sales and Auctions Raise \$5.5 Million in Fiscal Year 2009-10

New York State Office of General Services (OGS) Acting Commissioner, Carla Chiaro, today announced that sales of state surplus vehicles and equipment will continue statewide through December. Surplus sales generated \$5.5 million in Fiscal Year (FY) 2009 – 10. Nearly 1,400 eBay sales of items including farm equipment, computers and communications devices netted the state \$1.3 million. The live auction of 3,500 surplus vehicles and equipment netted \$4.2 million. Monies generated from the sales of surplus goods are added to the state's general fund.

"We encourage the public to attend auctions in their area. Surplus equipment and vehicles that are no longer needed for use by the state can continue to be useful in the private sector. These auctions help the state recoup monies that can be used to trim the deficit," Acting Commissioner Chiaro said. "Governor Paterson has asked state agencies to identify opportunities to reduce costs and surplus auctions are an excellent way to do that. In addition to good stewardship of taxpayer dollars, this is also an important part of the OGS commitment to sustainability."

The following surplus vehicle auctions have been scheduled through the month of December. For information on specific items and terms of sale please visit www.ogs.state.ny.us, email state.surplus@ogs.state.ny.us, or call (518) 457-6335.
