**Code Legend:**

E\* - EPA Energy Star Award; Use when awarded product (s) is approved under the US Environmental Protection Agency's Energy Star Program.  
 EE - Energy Efficient Award; Commodity contracts which fall into this category include, but are not limited to, those which use Life Cycle or Energy Efficient Costing in the bid evaluation or those which are Energy Efficient by their very nature, such as ballasts or rechargeable batteries.  
 ES - Environmentally Sensitive Award; indicates an award such as integrated pest management.  
 GR - "Green" Contract Award; containing environmentally friendly products or services.  
 RA - Recycled Award; Use when awarded product (s) is Recycled but the award does not fit into either of the above categories (i.e. recycled product (s) is Low Bid Meeting Specifications) or when a combination of circumstances exists.  
 RM - Remanufactured Award: Use when awarded product contains Remanufactured Components.  
 RP - Recycled Preference Applied; Use when Price Preference is applied in awarding the contract to a Recycled product.  
 RS - Recycled Specified; Use when the specification for a particular bid solicitation limits competition to Recycled products.  
 SW - Solid Waste Impact Award: Use when awarded product (s) is not Recycled or Remanufactured but has an impact on solid waste management or the environment. Examples are Returnable Drums or items that reduce the Landfill or Encourage Recycling.
