OGS SEEKS HOLIDAY TREES FOR NEW YORK STATE CAPITOL

New York State Office of General Services (OGS) Commissioner RoAnn M. Destito today announced that the state is in seeking two New York State spruce trees to be displayed in front of the Capitol this holiday season. One will grace East Capitol Park and the other will be placed on the south side of the Capitol on the Empire State Plaza near the Plaza skating rink. The trees will be removed at no cost to the property owner in mid-November and lit as part of New York State's tree lighting and fireworks in December at the Empire State Plaza.

"Each year families become part of a wonderful Capital Region holiday tradition by donating the trees we display at the Capitol and Empire State Plaza," Commissioner Destito said. "We are always grateful to these families and know visitors to the New York State Capitol appreciate their generosity."

The tree should be a spruce between 35 and 55 feet tall, easily accessible on the property, and clear of power lines. Proximity to the Capital Region is ideal.

If you have a tree you would like to be considered, please contact Frank Salvagio at OGS by calling (518) 474-3039 or emailing frank.salvagio@ogs.ny.gov and include your name, address where the tree is located, and a contact phone number. If a photo of the tree is available please include it.
