Corporate Challenge Security and Road Closures

Monday, May 18, 2015

To: ALL TENANTS

From: Eric McShane, Deputy Commissioner /s/
Real Property Management and Facilities

The CDPHP Workforce Team Challenge will be held on Thursday evening, May 21, 2015 starting at 6:20 PM. Over 9,000 runners and walkers will be participating in the Capital District's largest road race.

The Albany Police Department has authorized the posting of No Parking signs on roads in and around Washington Park and the Empire State Plaza. These signs will be installed approximately 3 business days prior to the race date. They will indicate which roads will have no parking for the race. See below for a full list of road closures and hours of the closures. In addition, roadways on and in the vicinity of the race route will be closed to traffic. A full list of the Road Closures are also detailed below. All closed roadways will be reopened to traffic as soon as possible following the conclusion of the race. We anticipate most roadways will be open to traffic by 8PM race day.

The city of Albany has advised OGS that they will be implementing increased security measures. These will include a barricade plan restricting pedestrian access. No Pedestrians will be permitted on Madison Ave after 5:15 p.m. except for credentialed race officials or runners wearing race bibs. This will also be implemented at the Cultural Education Center Madison Avenue egress. Pedestrians on the Plaza level should use State St., Swan St, or the stairs on the east side of the Egg (which leads to Lancaster St, Eagle St, Times Union Walkway). Pedestrians on the concourse level should use the East Parking Garage Walkway to access the East Garage vehicle parking. This will also be implemented at the Cultural Education Center Madison Avenue egress. Pedestrians will be directed to leave via the Plaza level from all Agency Buildings and the Corning Tower. Pedestrians are encouraged to use the East Garage Walkway to access East Garage vehicle parking. Listed below are the road closures and restricted parking areas affected.

Complete guidelines for runners and pedestrians can be found at: <http://www.cdphpwtc.com/>

Bus Route Detours 4:00 p.m. – 9:00 p.m.
