SUBJECT: CDPHP Workforce Team Challenge
Thursday, May 15, 2014

The CDPHP Workforce Team Challenge will be held on Thursday evening, May 15, 2014, starting at 6:20 PM. Over 9,000 runners and walkers will be participating in the Capital District's largest road race.

The Albany Police Department Traffic Division will be posting No Parking signs on roads in and around Washington Park and the Empire State Plaza 72 hours before the race to indicate which roads will have no parking between 4:00 PM and 8:00 PM the night of the race. In addition, certain roads will be closed to traffic starting at 6:00 PM (except for Madison Ave. between Eagle and Swan Streets which will be closed earlier) and should all be reopened around 8:00 PM. These times are estimated and are subject to change.

The city of Albany has advised OGS that they will be implementing increased security measures. These will include a barricade plan restricting pedestrian access. Pedestrians will not be allowed to exit from the Concourse to Madison Avenue after 5:15 p.m. This will also be implemented at the Cultural Education Center Madison Avenue egress. Pedestrians will be directed to leave via the Plaza level from all Agency Buildings and the Corning Tower. Pedestrians are encouraged to use the East Garage Walkway to access East Garage vehicle parking. Listed below are the road closures and restricted parking areas affected.

Complete guidelines for runners and pedestrians can be found at: <http://www.cdphpwtc.com/>
