Mike Doughty, formerly of Soul Coughing, to Headline

The New York State Office of General Services (OGS) today announced the new date for the free, second annual Local Legends Live at the Empire State Plaza Convention Center, on Friday, October 19th. Local Legends Live features top indie bands in the Capital Region performing from 5:00 p.m. to 10 p.m. with Mike Doughty, former frontman of Soul Coughing, hitting the stage at 9:00 p.m.

Seven local bands round out this exceptional bill from the Capital Region's cutting edge music scene including bands featured by Capital Underground Radio. Starting at 5:00 p.m. in the Convention Center, concert-goers can expect a diverse and energetic line-up, with thrashing guitar rock, jazzy hip-hop combos, alt-pop singer-songwriters and more.

Doughty will perform his signature beatnik-style hits such as "27 Jennifers," "Looking at the World from the Bottom of a Well," and "Busting Up a Starbucks". His new release, "Yes and Also Yes" is gaining acclaim from music critics and fans. Show your support for the local music scene and the area's next generation of stars!
