

RFP 22620 Bidder Questions/Inquiries

	A	B	C
1	Question # Rephrased Question		OGS/SBOE Responses
2	1	Do you know if the bid process will be different this time such that companies can directly bid on these accessories?	No, The way that the IFB is structured there is not a separate lot for accessories . Therefore, a bidder would need to be able to provide a machine in order to be considered responsive. There is no mechanism for just bidding on accessories.
3	2	Is it possible to obtain the RFP document (22659rfp.pdf) in an editable MS Word format?	No, please submit the most recent version of the bid available at http://www.ogs.ny.gov/purchase/biddocument/22659BID.ASP
4	3	Can we submit a bid for servicing the voting systems?	No, The way that the IFB is structured there is not a separate lot for services. Therefore, a bidder would need to be able to provide a machine in order to be considered responsive. There is no mechanism for just bidding on services.
