TO ALL STATE AGENCIES AND OTHERS AUTHORIZED TO USE STATE CONTRACTS:

Under the prior D&B agreement PS00506, D&B offered 100% carryover of funds from previous years under the Annual Discount Plan (ADP). Due to D&B's new pricing model this has changed; consequently under the terms of the new D&B / OGS contract PS64205 the requirement is a minimum annual (ADP) commitment level of \$5,552.34 in order to receive 50% carryover of the dollar value of unused service contracted in any year (including Service Fees but excluding Reference Services). D&B's approved price list, which provides more in-depth detail on the carryover can be found on the OGS website at: <http://www.ogs.state.ny.us/purchase/prices/7910321094prices.pdf>.

After negotiations with PSG, D&B has agreed that the subset of customers who renewed D&B Annual Discount Plan (ADP) agreements that included funds provided on or before 11/30/2008, will be able to continue to carry over all of the unused funds that existed on their contracts, until those funds run out. This is in line with the terms of the 2002 NY OGS agreement. Any funds added after 12/01/2008 will be subject to the terms and conditions of the 12/01/2008 contract.

D&B will also let existing customers under the OGS contract renew their 2009 service at the \$1,170 price point (as in prior years), and will allow very low volume users with carryover from 12/01/2008 to renew with a zero dollar commitment for 2009, simply applying and using the remaining carryover service in the 2009 contract and continue to carryover unused funds until those funds run out.

For those Authorized Users that may have difficulty committing the minimum funding level or using the funds fully in the year committed for the ADP, OGS is willing to work with the Authorized User to determine if there are opportunities to aggregate purchases with another Authorized User(s) to address that concern.

All other terms and conditions remain the same.
