Normal deliveries are considered to be Monday thru Friday (8:00 am - 5:00 pm). Saturday/Sunday deliveries are to be made on an emergency basis (and not a regular basis) ONLY. Agencies shall be responsible to insure that tanks are accessible by the contractor. Failure of the agency to make appropriate arrangements, preventing delivery of product upon contractor's arrival at delivery site, may result in a charge to the agency for the contractor's transportation costs for that particular trip. Agencies should also make certain that receiving personnel are available at time of delivery.
