Cash Discount, If Shown, Should be Given Special Attention.

**INVOICES MUST BE SENT DIRECTLY TO THE ORDERING AGENCY FOR PAYMENT.**

**(See "Contract Payments" and "Electronic Payments" in this document.)**

AGENCIES SHOULD NOTIFY NEW YORK STATE PROCUREMENT PROMPTLY IF THE CONTRACTOR FAILS TO MEET DELIVERY OR OTHER TERMS OF THIS CONTRACT. PRODUCTS OR SERVICES WHICH DO NOT COMPLY WITH THE SPECIFICATIONS OR ARE OTHERWISE UNSATISFACTORY TO THE AGENCY SHOULD ALSO BE REPORTED TO NEW YORK STATE PROCUREMENT.

**SMALL, MINORITY AND WOMEN-OWNED BUSINESSES:**

The letters **SB** listed under the Contract Number indicate the contractor is a NYS small business. Additionally, the letters **MBE** and **WBE** indicate the contractor is a Minority-owned Business Enterprise and/or Woman-owned Business Enterprise.

**POOR PERFORMANCE**

Authorized Users should notify New York State Procurement's Customer Services promptly if the Contractor fails to meet the requirements of this Contract. Performance which does not comply with requirements or is otherwise unsatisfactory to the Authorized User should also be reported to Customer Services:

Office of General Services  
New York State Procurement  
38th Floor Corning Tower  
Empire State Plaza  
Albany, NY 12242  
Customer Services E-mail: [customer.services@ogs.ny.gov](mailto:customer.services@ogs.ny.gov)  
Telephone: (518) 474-6717 / Fax: (518) 474-2437

(continued)

---

**NOTE TO AUTHORIZED USERS:**

When placing purchase orders under the contract(s), the authorized user should be familiar with and follow the terms and conditions governing its use which usually appears at the end of this document. The authorized user is accountable and responsible for compliance with the requirements of public procurement processes. The authorized user must periodically sample the results of its procurements to determine its compliance. In sampling its procurements, an authorized user should test for reasonableness of results to ensure that such results can withstand public scrutiny.

The authorized user, when purchasing from OGS contracts, should hold the contractor accountable for contract compliance and meeting the contract terms, conditions, specifications, and other requirements. Also, in recognition of market fluctuations over time, authorized users are encouraged to seek improved pricing whenever possible.

Authorized users have the responsibility to document purchases, particularly when using OGS multiple award contracts for the same or similar product(s)/service(s), which should include:

- a statement of need and associated requirements,
- a summary of the contract alternatives considered for the purchase,
- the reason(s) supporting the resulting purchase (e.g., show the basis for the selection among multiple contracts at the time of purchase was the most practical and economical alternative and was in the best interests of the State).

**PRICE:**

Price includes:

- All customs duties and charges and be F.O.B. destination
- Tank and regulator installations
- Use of the equipment for the life of the contract
- Initial leak testing
- Operational instruction of agency personnel
- Periodic inspections of the installations to meet all safety requirement
- Removal of all tanks within thirty day of the contract expiration unless the contractor is either successful in obtaining a new contract for that agency or arranges to exchange tanks with the new successful contractor.

Price does not include:

- Modifications to interior appliances to meet safety codes
- Additional piping required beyond the exterior wall of a building to bring a facility up to safety code compliance.
- The addition of an appliance.

**LP GAS EQUIPMENT:**

All equipment and the installation of same must meet the requirements of the National Fire Protection Association Code, latest edition. The contractor shall make or cause to be made by competent individuals' periodic inspections of the installation to meet all safety requirements.

(continued)

NOTES: The product supplied will meet or exceed the ASTM Specifications for Liquefied Petroleum (LP) Gases, Designation D1835-12 and NFPA 58 2011 Standard for storage and handling, or latest revisions thereof.

**The contracts for the following counties are scheduled to expire on September 30, 2014 or until a new award has been issued: Albany, Cayuga, Columbia, Cortland, Madison, Oneida, Onondaga, Orleans, Rensselaer, Schenectady, Tioga, and Yates Counties. After September 30, 2014 or the issuance of a new award, all purchases of LP Gases in these counties must be made through the new award.**

**REQUEST FOR CHANGE:**

Any request by the agency or contractor regarding changes in any part of the contract must be made in writing to the Office of General Services, prior to effectuation.

**CONTRACT PAYMENTS:**

Payments cannot be processed by State facilities until the contract products have been delivered in satisfactory condition or services have been satisfactorily performed. Payment will be based on any invoice used in the supplier's normal course of business. However, such invoice must contain sufficient data including but not limited to contract number, description of product or service, quantity, unit and price per unit as well as federal identification number.

State facilities are required to forward properly completed vouchers to the Office of the State Comptroller for audit and payment. All facilities are urged to process every completed voucher expeditiously giving particular attention to those involving cash discounts for prompt payment.

If the contract terms indicate political subdivisions and others authorized by law are allowed to participate, those entities are required to make payments directly to the contractor. Prior to processing such payment, the contractor may be required to complete the ordering non-State agency's own voucher form.

See "Contract Billings" in Appendix B, OGS General Specifications.

**DEBRIEFING:**

Contractors and bidders are accorded fair and equal treatment with respect to the opportunity for debriefing. OGS shall, upon request, provide a debriefing to any bidder or awarded contractor that responded to the IFB or RFP regarding the reason that the proposal or bid submitted by the unsuccessful bidder was not selected for a contract award. The post award debriefing should be requested by the bidder or awarded contractor within thirty days of posting of the contract award on the OGS website.

**PREVAILING WAGE RATES:**

Work being bid is subject to the prevailing wage rate provisions of New York State Labor Law. See "Prevailing Wage Rates - Public Works and Building Services Contracts" in Appendix B, OGS General Specifications. Any federal or State determination of a violation of any public works law or regulation, or labor law or regulation, or any OSHA violation deemed "serious or willful" may be grounds for a determination of vendor non-responsibility.

The applicable Prevailing Wage Rate Schedule for this project is **PRC # 2013900250**

For access to the Department of Labor (DOL) Prevailing Wage Schedule, use the following link:

<http://wpp.labor.state.ny.us/wpp/showFindProject.do?method=showIt>

For Prevailing Wage Updates, use the following DOL link:

<http://wpp.labor.state.ny.us/wpp/publicViewPWChanges.do?method=showIt>

Links to schedule updates appear in the table at the bottom of the web page.

**IMPORTANT NOTE: The above PRC number MUST be noted on all purchase orders issued for purchases from this contract.**

**PROCUREMENT SERVICES DISPUTE RESOLUTION POLICY:**

It is the policy of the Office of General Services' Procurement Services to provide vendors with an opportunity to administratively resolve disputes, complaints or inquiries related to Procurement Services bid solicitations or contract awards. Procurement Services encourages vendors to seek resolution of disputes through consultation with Procurement Services staff. All such matters will be accorded impartial and timely consideration. Interested parties may also file formal written disputes. A copy of Procurement Services's

---

Dispute Resolution Procedures for Vendors may be obtained by contacting the person shown on the front of this document or through the OGS website ([www.ogs.ny.gov](http://www.ogs.ny.gov)).

**MERCURY-ADDED CONSUMER PRODUCTS:**

Offerers are advised that effective January 1, 2005, Article 27, Title 21 of the Environmental Conservation Law bans the sale or distribution free of charge of fever thermometers containing mercury except by prescription written by a physician and bans the sale or distribution free of charge of elemental mercury other than for medical pre-encapsulated dental amalgam, research, or manufacturing purposes due to the hazardous waste concerns of mercury. The law further states that effective July 12, 2005, manufacturers are required to label mercury-added consumer products that are sold or offered for sale in New York State by a distributor or retailer. The label is intended to inform consumers of the presence of mercury in such products and of the proper disposal or recycling of mercury-added consumer products. Offerers are encouraged to contact the Department of Environmental Conservation, Bureau of Solid Waste, Reduction & Recycling at (518) 402-8705 or the Bureau of Hazardous Waste Regulation at 1-800-462-6553 for questions relating to the law. Offerers may also visit the Department's web site for additional information: <http://www.dec.ny.gov/chemical/8512.html>.

**NON-STATE AGENCIES PARTICIPATION IN CENTRALIZED CONTRACTS:**

New York State political subdivisions and others authorized by New York State law may participate in Contracts. These include, but are not limited to, local governments, public authorities, public school and fire districts, public and nonprofit libraries, and certain other nonpublic/nonprofit organizations. See Appendix B, §39 Participation in Centralized Contracts. For purchase orders issued by the Port Authority of New York and New Jersey (or any other authorized entity that may have Delivery locations adjacent to New York State), the terms of the "Price" clause shall be modified to include Delivery to locations adjacent to New York State.

Upon request, all eligible non-State agencies must furnish Contractors with the proper tax exemption certificates and documentation certifying eligibility to use State Contracts. A list of categories of eligible entities is available on the OGS web site <http://www.ogs.ny.gov/purchase/snt/othersuse.asp>. Questions regarding an organization's eligibility to purchase from New York State Contracts may also be directed to OGS New York State Procurement's Customer Services at (518) 474-6717.

**EXTENSION OF USE:**

These contracts may be extended to additional States or governmental jurisdictions upon mutual written agreement between New York State (the lead contracting State) and the contractor. Political subdivisions and other authorized entities within each participating State or governmental jurisdiction may also participate in these contracts if such State normally allows participation by such entities. New York State reserves the right to negotiate additional discounts based on any increased volume generated by such extensions.

**DELIVERY:**

Delivery shall be made in accordance with instructions on Purchase Order from each agency. If there is a discrepancy between the purchase order and what is listed on the contract, it is the contractor's obligation to seek clarification from the ordering agency and, if applicable, from the Office of General Services, New York State Procurement.

**NOTE:** Contractor agrees to complete all installations within twenty-one (21) days after receipt of a purchase order. Contractor must set up delivery schedules with particular agency.

**EMERGENCY DELIVERY:**

Should the agency run out of propane at any time creating an emergency situation, the contractor shall be required to provide product within four (4) hours of a telephone call from the agency.

(continued)

**PRICE REVISIONS:**

Contract bid prices are firm except that price revisions will be permitted on a 30 day basis in accordance with the following procedure:

Separate revisions (Increases or Decreases) to the original contract price shall be based on prices in the *Oil Price Daily* (formally *The Journal of Commerce*) under the heading of Propane Pipeline Selkirk, NY.

New York State Procurement will compute any price revisions by determining the difference between the Posted Price on April 3, 2013 (\$1.2166/gal.) and the Posted Price every thirty (30) days for the duration of the contract, beginning with the *Oil Price Daily*, Propane Pipeline Selkirk NY Posted Price on July 1, 2013. The differential between these two (2) prices will be added or subtracted to the base bid price yielding the new thirty (30) day price. Applicable price changes will be effective the same day the price is posted in the *Oil Price Daily*.

The terms "Posting Day" or "Posted Price" as used throughout the award and specification, refer to the actual day the prices are posted.

Should the thirty (30) day price revision cycle not provide adequate price adjustments, because of rapid changes in worldwide liquefied petroleum (LP) gases – propane prices, the State reserves the right to increase the frequency of the price revisions to a weekly basis. The weekly basis will utilize the Posted Price on the last business day of the week, to be effective the same day.

**NOTE:** In the event the thirty (30) day "Posting Day" falls as a Holiday, the State will utilize the previous day's posting for the thirty (30) day period. Should postings differ from current description and/or format, a posting determined by the Commissioner in his sole discretion, to be most reflective of market conditions will be used. Same applies if we are utilizing a seven (7) day pricing schedule.

The following clauses shall apply to all price adjustments under any contract awarded:

- 1) Price increases are limited to changes in pre-selected postings as noted above. Increases in contract costs or prices to compensate for other increases in the cost of doing business, regardless of the cause or nature of such costs of the contractor, will not be allowed during the contract period.
- 2) Should the price structure utilized by the parties become unworkable for the State, detrimental or injurious to the State, or result in prices which are not truly reflective of current market conditions and the price is deemed unreasonable or excessive by the Commissioner, and no adjustment in price is mutually agreeable, the Commissioner reserves the sole right upon ten (10) days written notice mailed to the contractor to terminate any contract resulting from this bid opening. If the contractor is unable or unwilling to meet contractual requirements in whole or in part, it shall immediately notify the State of that fact in order that the State may take appropriate action. Such notification shall be in writing and shall be directed to the Office of General Services, New York State Procurement.
- 3) Price adjustments will continue using the same method if contract is extended.
- 4) To view daily contract pricing, visit our website at:

[www.ogs.ny.gov/asp/purchase/snt/fuels/index/asp](http://www.ogs.ny.gov/asp/purchase/snt/fuels/index/asp)

**GUARANTEE:**

The contractor guarantees that the product supplied will meet or exceed the ASTM Specifications for Liquefied Petroleum (LP) Gases, Designation D1835-05 and NFPA58 2008. Standard for storage and handling, or latest revision thereof.

**ESTIMATED QUANTITIES:**

The quantities or dollar values listed are estimated only. See "Estimated/Specific Quantity Contracts" and "Participation in Centralized Contracts" in Appendix B, OGS General Specifications.

**CONTRACT TERM:**

This contract shall be in effect for one (1) year as specified herein.

(continued)

**CONTRACT EXTENSION:**

If mutually agreed upon between OGS and the Contractor, the Contract may be extended under the same terms and conditions for up to three (3) additional one (1) year periods.

In the event a replacement Contract has not been issued at the time of Contract expiration, any Contract let and awarded hereunder by the State, may be extended unilaterally by the State for an additional period of up to one (1) month upon notice to the Contractor with the same terms and conditions as the original Contract including, but not limited to, quantities (prorated for such one (1) month extension), pricing, and delivery requirements. With the concurrence of the Contractor, the extension may be for a period of up to three (3) months in lieu of one (1) month. However, this extension terminates should the replacement Contract be issued in the interim.

**WARRANTIES:**

See "Warranties" in Appendix B, OGS General Specifications.

**RESERVATION:**

The State reserves the right to negotiate lower pricing, or to advertise for bids, any unanticipated excessive purchase. An "unanticipated excessive purchase" is defined as an unexpected order for a contract product(s) totaling more than \$75,000.

**NOTE:** Contractors must maintain service facilities and have trained personnel qualified to service the product furnished at the using agency within 48 hours.

**VISIT TO THE SITE:**

Contractors may visit the site to familiarize itself with the facilities at the agency, and in particular with the area in which the equipment is installed. It shall be the contractor's responsibility to inform the agency of any changes required before delivery. Some facilities may require vehicle fueling capability.

**EMERGENCY PURCHASING:**

In the event that a disaster emergency is declared by Executive Order under Section 28 of Article 2-B of the Executive Law, or that the Commissioner determines pursuant to his/her authority under Section 163(10)(b) of the State Finance Law that an emergency exists requiring the prompt and immediate delivery of products or services, the Commissioner reserves the right to obtain such products or services from any source, including but not limited to this contract, as the Commissioner in his/her sole discretion determines will meet the needs of such emergency. Contractor shall not be entitled to any claim or lost profits for products or services procured from other sources pursuant to this paragraph.

**NEW YORK STATE PROCUREMENT CARD:**

See "Procurement Card" in Appendix B, OGS General Specifications. All bidders shall indicate if they will accept the NYS Purchasing Card for orders not to exceed \$15,000 (see Questions at end of bid document).

**RECEIPTS AND INVOICING:**

**Procurement Card Receipts:**

For all purchases executed using a New York State Procurement Card, Contractor shall provide an itemized receipt with each Delivery.

**Invoices:**

Contractor invoices must include detailed line item information to allow Authorized Users to verify that delivered pricing matches the correct price on the date of order.

(continued)

---

REPORT OF CONTRACT PURCHASES

Contractor shall furnish quarterly reports containing total sales for both State agency and authorized non-state agency contract purchases no later than forty-five (45) days after the close of each calendar quarter. If the Contract period begins or ends in a fractional portion of a reporting period, only the actual Contract sales for this fractional period should be reported in the quarterly report.

In addition to Contractor direct sales, Contractor shall submit sales information for all Authorized Resellers where such Contract sales are provided by other than the Contractor. Contractors shall specify if any Authorized Resellers are NYS Certified Minority and/or Women Owned Businesses Enterprises (MWBEs). Contractor shall verify such status through the Empire State Development directory of Minority and Women Owned Businesses at: <http://www.esd.ny.gov/MWBE/directorySearch.html>

The report is to be submitted electronically via e-mail in Microsoft Excel to the Office of General Services, New York State Procurement, to the attention of the individual listed on the front page of the Contract Award Notification and shall reference the Contract Group Number, Award Number, Contract Number, Sales Period, and Contractor's name.

The report in Attachment 5 – *Report of Contract Purchases* is the **minimum** information required. Additional related sales information, such as monthly reports, and/or detailed user purchases may be required by OGS and must be supplied upon request. Failure to submit reports on a timely basis shall be considered poor performance in accordance with Section 6.22 *Poor Performance* and may result in Contract cancellation and designation of Contractor as non-responsible.

DIESEL EMISSION REDUCTION ACT OF 2006 (NEW REQUIREMENT OF LAW):

On February 12, 2007 the Diesel Emissions Reduction Act took effect as law (the “Law”). Pursuant to new §19-0323 of the N.Y. Environmental Conservation Law (“NYECL”) it is now a requirement that heavy duty diesel vehicles in excess of 8,500 pounds use the best available retrofit technology (“BART”) and ultra low sulfur diesel fuel (“ULSD”). The requirement of the Law applies to all vehicles owned, operated by or on behalf of, or leased by State agencies and State or regional public authorities. They need to be operated exclusively on ULSD by February 12, 2007. It also requires that such vehicles owned, operated by or on behalf of, or leased by State agencies and State or regional public authorities with more than half of its governing body appointed by the Governor utilize BART.

As a contract vendor the Law may be applicable to vehicles used by contract vendors “on behalf of” State agencies and public authorities. Thirty-three percent (33%) of affected vehicles must have BART by December 31, 2008, sixty-six percent (66%) by December 31, 2009 and one-hundred percent (100%) by December 31, 2010. The Law provides a list of exempted vehicles. Regulations currently being drafted will provide further guidance as to the effects of the Law on contract vendors using heavy duty diesel vehicles on behalf of the State. The Law also permits waivers of ULSD and BART under limited circumstances at the discretion of the Commissioner of Environmental Conservation. The Law will also require reporting from State agencies and from contract vendors in affected contracts.

Therefore, the bidder hereby certifies and warrants that all heavy duty vehicles, as defined in NYECL §19-0323, to be used under this contract, will comply with the specifications and provisions of NYECL §19-0323, and any regulations promulgated pursuant thereto, which requires the use of BART and ULSD, unless specifically waived by NYSDEC. Qualification and application for a waiver under this Law will be the responsibility of the bidder.
