Complete and return "Contract Performance Report" at end of document.**

### Description

Bituminous Concrete is a mixture of stone of various sizes and liquid bituminous material. The mixture is heated and proportioned in a bituminous concrete plant and compacted on a road in a heated state. Once the material cools, it becomes a hard durable material. Bituminous concrete is used for roads, parking lots, tennis courts, sidewalks, bike paths and for patching same.

Cash Discount, If Shown, Should be Given Special Attention.

**INVOICES MUST BE SENT DIRECTLY TO THE ORDERING AGENCY FOR PAYMENT.**  
**(See "Contract Payments" and "Electronic Payments" in this document.)**

**SCOPE:**

This supplemental award is intended to provide an opportunity for previously awarded contractors on the original Bituminous Concrete Hot Mix Asphalt statewide award to submit lower pricing for award on items for which they had received award pending status (**AP**). Please refer to page 18, AWARD PENDING clause of the original award document for explanation if necessary.

**NOTE:**

**All other terms and conditions of the original award apply to this supplemental award. We strongly advise all contract users to familiarize themselves with all terms and conditions before issuing a purchase order. Please attach this supplemental to your copy of the Contract Award Notification.**
