REQUEST FOR CHANGE:

Any request by the agency or contractor regarding changes in any part of the contract must be made in writing to the Office of General Services, Procurement Services Group, prior to effectuation.

CONTRACT PAYMENTS:

Payments cannot be processed by State facilities until the contract products have been delivered in satisfactory condition. Payment will be based on any invoice used in the supplier's normal course of business. However, such invoice must contain sufficient data including but not limited to Contract No., description of product, quantity, unit and price per unit as well as Federal Identification Number.

State facilities are required to forward properly completed vouchers to the Office of the State Comptroller for audit and payment. All facilities are urged to process every completed voucher expeditiously giving particular attention to those involving cash discounts.

If the contract terms indicate political subdivisions and others authorized by law are allowed to participate, they are required to make payments directly to the contractor. Prior to processing such payment the contractor may be required to complete the ordering non-State agency's own voucher form.

OVERLAPPING CONTRACT ITEMS:

Products available in this contract may also be available from other State contracts. Agencies should select the most cost effective procurement alternative that meets their program requirements and maintain a procurement record documenting the basis for this selection.

CONTRACT SCOPE:

Contractor agrees to enter into a contract with the State of New York under the terms and conditions set forth in the Master Contract for use by New York State agencies, political subdivisions and others authorized by law. All the terms, conditions, covenants and representations contained herein and in the Master Contract and any amendments thereto, except as modified by this document, are hereby incorporated by reference and deemed to be a part of this contract as if fully set forth at length herein. The term and conditions of this Agreement shall supersede any inconsistent terms and conditions set forth in the Master Contract.

CONTRACT PERIOD AND RENEWAL:

The Base Contract term shall be as indicated on the Piggyback Agreement. Any new product, term, or price changes to the Master Contract shall be submitted by the Contractor to the Office of General Services, Procurement Services Group for approval and shall be effective to Base Contract upon the date of issuance of a written notification to New York State contract users. If changes are not approved by OGS, either the vendor or OGS may terminate the Base Contract upon 30 days notice. OGS further reserves the right to terminate this Base Contract either upon cause or in the event that any material modification to the Master Contract is determined not to be in the best interests of the State.

Upon expiration of the Master Contract, Vendor may submit any subsequent contracts entered into for the same or similar products with the same Issuing Entity to the Office of General Services, Procurement Services Group to establish a new contract.

In the event Vendor's Master Contract expires and no new contract is let by the original Issuing Entity, OGS reserves the right, upon written agreement with Vendor, to renew the Base Contract under the same terms and conditions for an additional period of one year.

Should the Master Contract expire and not be extended or renewed prior to the termination of this Piggyback contract including any renewals, price list updates and additions will follow the Price Change Procedure as listed below, providing the Master contract was based on uniform discount(s) from nationally published price list(s). In the event the Master Contract was not based on uniform discount(s) from price list(s), updated price lists may be submitted for acceptance providing the item discounts remain unaltered. This evidence must be supplied by the vendor along with the updated price lists.

(continued)

PRICE CHANGE PROCEDURE (AFTER TERMINATION OF MASTER CONTRACT):

The contract prices may be subject to increase or decrease during the contract period in accordance with changes which may be made by the manufacturer in their established, nationally distributed price list or published catalog. Catalog or price lists may indicate increases or decreases in pricing, but the percentage discount(s) originally accepted for award shall not be decreased during the contract period.

New products will be considered for inclusion provided they are pertinent to the contract and are offered to the State at the same discount, terms and conditions as the Master Contract.

The price revisions, new lists or supplements to an original list shall be submitted to the Office of General Services, Procurement Services Group, to the attention of the Purchasing Officer shown on the front of this document, in triplicate, for approval before ordering agencies will be bound to any such revisions. Price increases or decreases shall become binding five (5) days following written notification to the contractor from the Office of General Services, Procurement Services Group that the price revision(s) as submitted has been accepted.

NON-STATE AGENCIES PARTICIPATION IN CENTRALIZED CONTRACTS:

New York State political subdivisions and others authorized by New York State law may participate in this contract. These include, but are not limited to local governments, public authorities, public school and fire districts and certain nonpublic/nonprofit organizations. See "Participation in Centralized Contracts" in Appendix B, OGS General Specifications. For purchase orders issued by the Port Authority of New York and New Jersey (or any other authorized entity that may have delivery locations adjacent to New York State), the terms of the "Price" clause shall be modified to include delivery to locations adjacent to New York State.

Upon request, all eligible non-State agencies must furnish contractors with the proper tax exemption certificates and documentation certifying eligibility to use State contracts. A list of categories of eligible entities is available on the OGS web site (www.ogs.state.ny.us) under "Non-State Agency Legal References." Questions regarding an organization's eligibility to purchase from New York State contracts may also be directed to OGS Procurement Services Group's Customer Services at 518-474-6717.

CATALOGS AND PRICE SHEETS:

Upon request, Contractor shall furnish, without charge, copies of Master Contract including modifications thereto and related catalogs and price lists to New York State agencies and other authorized users. Upon request, contractor shall also assist authorized users in the use of such documents.

PURCHASE ORDERS in Appendix B, OGS General Specifications.

If there is a discrepancy between the purchase order and what is listed on contract, it is the contractor's obligation as a condition of payment to clarify and resolve what is to be actually shipped by contacting ordering agency.

EMERGENCY PURCHASING:

In the event that a disaster emergency is declared by Executive Order under Section 28 of Article 2-B of the Executive Law, or that the Commissioner determines pursuant to his/her authority under Section 163(10)(b) of the State Finance Law that an emergency exists requiring the prompt and immediate delivery of commodities or services, the Commissioner reserves the right to obtain such commodities or services from any source, including but not limited to this contract, as the Commissioner in his/her sole discretion determines will meet the needs of such emergency. Contractor shall not be entitled to any claim or lost profits for commodities or services procured from other sources pursuant to this paragraph.

(continued)

REPORT OF CONTRACT PURCHASES:

Contractor shall furnish report of purchases made from this Base Contract by the fifteenth of the month following the end of each three month period. The reports shall be in the following format:

<u>Item/ SubItem Number</u>	<u>Product Description</u> (Size, Stock No., etc.)	<u>Total Quantity Shipped</u> (To be in Units listed in the Invitation for Bids)	<u>Total \$ Value</u>
-------------------------------------	---	--	---------------------------

The report is to be submitted to the Office of General Services, Procurement Services Group, Tower Bldg., Empire State Plaza, Albany, NY 12242, to the attention of the individual shown on the front page of the Contract Award Notification and shall reference the product group number, the Agreement number, Base Contract number, sales period, and contractor's name.

Failure to submit the required report may be cause for disqualification of contractor for future contracts.

**IMPORTANT NOTICE TO BIDDERS/RESULTANT CONTRACTORS AND STATE AGENCIES -
"OGS OR LESS" GUIDELINES APPLY TO THIS CONTRACT**

Purchases of the product(s) included in the Piggyback Agreement and related Contract Award Notification are subject to the "OGS or Less" provisions of Section 163.3.a.v., Article XI, of the New York State Finance Law. This means that State agencies can purchase product(s) from sources other than the contractor provided that such product(s) are substantially similar in function, form or utility to the product(s) herein and are:

1. lower in price
-and/or-
2. available under terms which are more economically efficient to the State agency (e.g. delivery terms, warranty terms, etc.).

Agencies are reminded that they must provide the State contractor an opportunity to match the non-contract savings at least two business days prior to purchase. In addition, purchases made under "OGS or Less" flexibility must meet all requirements of law including, but not limited to, advertising in the New York State Contract Reporter, prior approval of the Comptroller's Office (currently for transactions in excess of \$10,000) and competitive bidding of requirements exceeding the discretionary bid limit (currently at \$15,000). State agencies should refer to Procurement Council Bulletin "OGS or Less Purchases (issued December 1996)" for complete procedural and reporting requirements.
