Cash Discount, If Shown, Should be Given Special Attention.
INVOICES MUST BE SENT DIRECTLY TO THE ORDERING AGENCY FOR PAYMENT.
(See "Contract Payments" and "Electronic Payments" in this document.)

AGENCIES SHOULD NOTIFY THE NEW YORK STATE PROCUREMENT PROMPTLY IF THE CONTRACTOR FAILS TO MEET DELIVERY OR OTHER TERMS OF THIS CONTRACT. PRODUCTS OR SERVICES WHICH DO NOT COMPLY WITH THE SPECIFICATIONS OR ARE OTHERWISE UNSATISFACTORY TO THE AGENCY SHOULD ALSO BE REPORTED TO THE NEW YORK STATE PROCUREMENT.

SMALL, MINORITY AND WOMEN-OWNED BUSINESSES:

The letters SB listed under the Contract Number indicate the contractor is a NYS small business. Additionally, the letters MBE and WBE indicate the contractor is a Minority-owned Business Enterprise and/or Woman-owned Business Enterprise.

RECYCLED, REMANUFACTURED AND ENERGY EFFICIENT PRODUCTS:

The New York State Procurement supports and encourages the purchase of recycled, remanufactured, energy efficient and "energy star" products. If one of the following codes appears as a suffix in the Award Number or is noted under the individual Contract Number(s) in this Contract Award Notification, please look at the individual awarded items for more information on products meeting the suffix description.

RS,RP,RA	Recycled
RM	Remanufactured
SW	Solid Waste Impact
EE	Energy Efficient
E*	EPA Energy Star
ES	Environmentally Sensitive

NOTE TO AUTHORIZED USERS:

When placing purchase orders under the contract(s), the authorized user should be familiar with and follow the terms and conditions governing its use which usually appears at the end of this document. The authorized user is accountable and responsible for compliance with the requirements of public procurement processes. The authorized user must periodically sample the results of its procurements to determine its compliance. In sampling its procurements, an authorized user should test for reasonableness of results to ensure that such results can withstand public scrutiny.

The authorized user, when purchasing from OGS contracts, should hold the contractor accountable for contract compliance and meeting the contract terms, conditions, specifications, and other requirements. Also, in recognition of market fluctuations over time, authorized users are encouraged to seek improved pricing whenever possible.

Authorized users have the responsibility to document purchases, particularly when using OGS multiple award contracts for the same or similar product(s)/service(s), which should include:

- a statement of need and associated requirements,
- a summary of the contract alternatives considered for the purchase,
- the reason(s) supporting the resulting purchase (e.g., show the basis for the selection among multiple contracts at the time of purchase was the most practical and economical alternative and was in the best interests of the State).

NOTE TO ALL CONTRACT USERS:

The terms and conditions of the bid solicitation which apply to the award appear at the end of this document. We strongly advise all contract users to familiarize themselves with all terms and conditions before issuing a purchase order. DCJS reimbursement availability, eligibility and information is available from Mr. Michael O'Connell.

CONTRACTOR, LOT II, ITEM #10 D: UNITED SHIELD INTERNATIONAL, LLC

AUTHORIZED DISTRIBUTORS:

Order and payment routing are stated on the list of service representatives, i.e., all orders and payments to be made directly to contractor, or orders to be placed c/o the dealer with payments to contractor, etc. If contract payments are to be made directly to Authorized Dealer(s)/Distributor(s), bidder has provided the designated Authorized Dealer(s)/Distributor(s) Federal Employer Identification Number with bid. If no instructions are included, orders and payments will be directed to the contractor. **It shall be the Contractor's responsibility to compile and submit Reports of Contract Purchases.**

NOTE: See "PROCUREMENT CONTRACT FEE".

Addition or removal of Authorized Dealers/Distributors to the resulting contract must be submitted to PSG by contractor and sales may not be made by new Dealers/Distributors until OGS has approved the addition and posted it on our website.

NOTE: See separate "REPORT OF CONTRACT PURCHASES" and "PRICE CHANGES" Clause.

NON-STATE AGENCIES PARTICIPATION IN CENTRALIZED CONTRACTS:

New York State political subdivisions and others authorized by New York State law may participate in contracts. These include, but are not limited to local governments, public authorities, public school and fire districts, public and nonprofit libraries, and certain other nonpublic/nonprofit organizations. See "Participation in Centralized Contracts" in Appendix B, OGS General Specifications. For purchase orders issued by the Port Authority of New York and New Jersey (or any other authorized entity that may have delivery locations adjacent to New York State), the terms of the "Price" clause shall be modified to include delivery to locations adjacent to New York State.

Upon request, all eligible non-State agencies must furnish contractors with the proper tax exemption certificates and documentation certifying eligibility to use State contracts. A list of categories of eligible entities is available on the OGS web site (<http://www.ogs.state.ny.us/purchase/snt/othersuse.asp>). Questions regarding an organization's eligibility to purchase from New York State Contracts may also be directed to OGS Procurement Services Group's Customer Services at 518-474-6717.

EXTENSION OF USE:

Any contract resulting from this bid solicitation may be extended to additional States or governmental jurisdictions upon mutual written agreement between New York State (the lead contracting State) and the contractor. Political subdivisions and other authorized entities within each participating State or governmental jurisdiction may also participate in any resultant contract if such State normally allows participation by such entities. New York State reserves the right to negotiate additional discounts based on any increased volume generated by such extensions.

OVERLAPPING CONTRACT ITEMS:

Products/services available in the resulting contract may also be available from other New York State contracts. Contract users are advised to select the most cost effective procurement alternative that meets their program requirements and to maintain a procurement record documenting the basis for this selection.

PRICE CHANGES:

Price List Changes - Price lists submitted with bid must remain in effect through January 2010. Thereafter, new price lists will be considered when nationally published by the manufacturer in its normal manner. The contractor may request a price list revision by submitting three copies of each price list (TWO paper copies and ONE electronic copy of the submitted nationally published price list on CD) to the Office of General Services at no charge. Price lists will be reviewed for reasonableness and if compliant, OGS will approve and issue a Purchasing Memorandum notifying contract users of update.

Prior to approval from OGS, updates (additions and deletions) to a contractor's price list may not be made. All additions included in the price list will use either the bidder's original discount or a higher discount, if offered. This office must be notified, as stated above, to process the approval and make proper notification so orders and payments will not be delayed. Contractors are urged to allow at least 30 days for price list approvals.

Contractors shall provide using agencies with current approved catalogs/price lists or appropriate portions thereof upon request at no charge. Any items/products/categories in the price list not awarded by OGS must be removed, blacked out, etc. before being supplied to contract user.

PRICE SHEETS AND CATALOGS:

Contractor shall be required to furnish, without charge, catalog and nationally published price list identical to those accepted with their bid, including any changes (additions, deletions, etc.) pursuant to the contract, to authorized users who request them.

Catalogs and nationally published price lists may be furnished to users in either hard-copy or electronic format. If available in both formats, they shall be furnished in the format preferred by the requesting authorized user. Upon request the contractor shall assist authorized users in the use of catalogs and nationally published price lists.

DELIVERY:

Product is required to be delivered as soon as possible.

Delivery location shall be made in accordance with instructions on Purchase Order from each agency. If there is a discrepancy between the purchase order and what is listed on the contract, it is the contractor's obligation to seek clarification from the ordering agency and, if applicable, from the Office of General Services, Procurement Services Group. Users are encouraged to call contractors to insure their purchase order was received.

DIESEL EMISSION REDUCTION ACT OF 2006 (NEW REQUIREMENT OF LAW):

On February 12, 2007 the Diesel Emissions Reduction Act took effect as law (the "Law"). Pursuant to new §19-0323 of the N.Y. Environmental Conservation Law ("NYECL") it is now a requirement that heavy duty diesel vehicles in excess of 8,500 pounds use the best available retrofit technology ("BART") and ultra low sulfur diesel fuel ("ULSD"). The requirement of the Law applies to all vehicles owned, operated by or on behalf of, or leased by State agencies and State or regional public authorities. They need to be operated exclusively on ULSD by February 12, 2007. It also requires that such vehicles owned, operated by or on behalf of, or leased by State agencies and State or regional public authorities with more than half of its governing body appointed by the Governor utilize BART.

As a contract vendor the Law may be applicable to vehicles used by contract vendors "on behalf of" State agencies and public authorities. Thirty-three percent (33%) of affected vehicles must have BART by December 31, 2008, sixty-six percent (66%) by December 31, 2009 and one-hundred percent (100%) by December 31, 2010. The Law provides a list of exempted vehicles. Regulations currently being drafted will provide further guidance as to the effects of the Law on contract vendors using heavy duty diesel vehicles on behalf of the State. The Law also permits waivers of ULSD and BART under limited circumstances at the discretion of the Commissioner of Environmental Conservation. The Law will also require reporting from State agencies and from contract vendors in affected contracts.

Therefore, the bidder hereby certifies and warrants that all heavy duty vehicles, as defined in NYECL §19-0323, to be used under this contract, will comply with the specifications and provisions of NYECL §19-0323, and any regulations promulgated pursuant thereto, which requires the use of BART and ULSD, unless specifically waived by NYSDEC. Qualification and application for a waiver under this Law will be the responsibility of the bidder.

CONTRACT PERIOD AND RENEWALS:

It is the intention of the State to enter into a contract for the term as stated on the Invitation for Bids except that the commencement and termination dates appearing on the Invitation for Bids may be adjusted forward unilaterally by the State for any resulting contract for up to two calendar months, by indicating such change on the Contract Award Notification.

The contract dates may be adjusted forward beyond two months only with the approval of the successful bidder. If, however, the bidder is not willing to accept an adjustment of the contract dates beyond the two month period, the State reserves the right to proceed with an award to another bidder.

SHORT TERM EXTENSION:

In the event the replacement contract has not been issued, any contract let and awarded hereunder by the State, may be extended unilaterally by the State for an additional period of up to one month upon notice to the contractor with the same terms and conditions as the original contract including, but not limited to, quantities (prorated for such one month extension), prices, and delivery requirements. With the concurrence of the contractor, the extension may be for a period of up to three months in lieu of one month. However, this extension terminates should the replacement contract be issued in the interim.

WARRANTIES:

The bidder guarantees that the equipment offered is new equipment. Ballistic material must be guaranteed against faulty material and workmanship for a minimum period of five (5) years. If manufacturer's standard warranty is greater than five (5) years, such extended warranty shall apply. If, during this period, such faults develop, the unit or part affected is to be replaced without any cost to the user including any charges for parts, labor and transportation. Where accessories are to be supplied, they must be compatible with the rest of the equipment.

REPORT OF CONTRACT PURCHASES:

Contractor shall furnish quarterly reports containing total sales for both state agency and authorized non-state agency contract purchases no later than forty-five (45) days after the close of each calendar quarter. In addition to contractor direct sales, contractor shall submit sales information for all resellers, dealers, distributors or other authorized distribution channels, where such contract sales are provided by other than the contractor. Contractors shall verify if each alternate vendor is a NYS Certified Minority (MBE) or Women (WBE) Owned Businesses. Contractors shall verify such status through the Empire State Development Minority and Women Owned Businesses Database web site at: <http://www.nylovesmwbe.ny.gov/cf/search.cfm>.

A separate report shall be provided in the following format for each authorized distribution channel. The sales report form is forwarded to each contractor at time of award for completion in accordance with the contract terms and conditions:

<u>Item/ Sub Item Number</u>	<u>Product or Catalog Number</u>	<u>Product/ Service Description</u>	<u>Total Quantity Shipped to State Agencies</u>	<u>Total Quantity Shipped to Authorized Non-State Agencies</u>	<u>Total Sales \$ State Agencies</u>	<u>Total Sales \$ Authorized Non-State Agencies</u>
					\$	
				Grand Total Sales State and Non-State Agencies		\$

The report is to be submitted electronically in Microsoft Excel 2007 or lower format to the Office of General Services, Procurement Services Group, Tower Bldg., Empire State Plaza, Albany, NY 12242, to the attention of the individual shown on the front page of the Contract Award Notification and shall reference the Group Number, the Award Number, Contract Number, sales period, and contractor's (or other authorized agent) name.

The outlined sales report is the minimum information required. Additional related sales information, such as monthly reports, and/or detailed user purchases may be required and must be supplied upon request.

NOTE: See separate "Authorized Distributors" clause.

It shall be the Contractor's, not the Dealer/Distributor's responsibility to compile and submit Reports of Contract Purchases as described above.

SAMPLES TO BE SUBMITTED BY BIDDER/CONTRACTOR:

The bidder/contractor may be required to submit samples. See "Samples" in Appendix B, OGS General Specifications.

EMERGENCY PURCHASING:

In the event that a disaster emergency is declared by Executive Order under Section 28 of Article 2-B of the Executive Law, or that the Commissioner determines pursuant to his/her authority under Section 163(10)(b) of the State Finance Law that an emergency exists requiring the prompt and immediate delivery of products or services, the Commissioner reserves the right to obtain such products or services from any source, including but not limited to this contract, as the Commissioner in his/her sole discretion determines will meet the needs of such emergency. Contractor shall not be entitled to any claim or lost profits for products or services procured from other sources pursuant to this paragraph.

USE OF RECYCLED OR REMANUFACTURED MATERIALS:

New York State, as a member of the Council of Great Lakes Governors, supports and encourages vendors to use recycled, remanufactured or recovered materials in the manufacture of products and packaging to the maximum extent practicable without jeopardizing the performance or intended end use of the product or packaging unless such use is precluded due to health or safety requirements or product specifications contained herein. Refurbished or remanufactured components or products are required to be restored to original performance and regulatory standards and functions and are required to meet all other requirements of this bid solicitation. Warranties on refurbished or remanufactured components or products must be identical to the manufacturer's new equipment warranty or industry's normal warranty when remanufacturer does not offer new equipment. See "Remanufactured, Recycled, Recyclable or Recovered Materials" in Appendix B, OGS General Specifications.

RESERVATION:

The State reserves the right to negotiate lower pricing when purchasing from this contract. Agencies are encouraged to negotiate and/or to advertise for bids, any unanticipated excessive purchase. An "unanticipated excessive purchase" is defined as an order totaling 101 or more units.

"OGS OR LESS" GUIDELINES APPLY TO THIS CONTRACT:

Purchases of the products included in the Invitation For Bids and related Contract Award Notification are subject to the "OGS or Less" provisions of Section 163.3.a.v., Article XI, of the New York State Finance Law. This means that State agencies can purchase products from sources other than the contractor provided that such products are substantially similar in form, function or utility to the products herein and are:

1. lower in price
-and/or-
2. available under terms which are more economically efficient to the State agency (e.g. delivery terms, warranty terms, etc.).

Agencies are reminded that they must provide the State contractor an opportunity to match the non-contract savings at least two business days prior to purchase. In addition, purchases made under "OGS or Less" flexibility must meet all requirements of law including, but not limited to, advertising in the New York State Contract Reporter, prior approval of the Comptroller's Office and competitive bidding of requirements exceeding the discretionary bid limit. State agencies should refer to Procurement Council Bulletin "OGS or Less Purchases" for complete procedural and reporting requirements.

QUALITY:

Certification: All ballistic vests offered must meet the NIJ Standard-0101.06, or the current NIJ standard for the threat level advertised and carry the NIJ certification. All stab resistant vests must meet the NIJ Standard-0115.00 September 2000 or the current NIJ standard for the threat level advertised and carry the NIJ certification.

Workmanship: All products shall be produced in accordance with the highest industry standards. Special interest to quality control is essential.

SERVICE:

Pre-Sale: The contractor shall assist the using agency with obtaining the most appropriate equipment for the agency's needs. This may include verbal information, printed literature, demonstration or samples. The extent of involvement shall be commensurate with purchase size and complexity.

MEASUREMENTS:

For purchases of 10 vests or more, the manufacturer or their designated representative shall provide measurement and fitting upon request. For orders of less than 10 vests, manufacturer shall provide whatever assistance is feasible (i.e., sizing sheets).

TRAINING:

The manufacturer shall provide written instruction for proper care, handling, storage and cleaning procedures with each vest. Additionally, for purchases of 10 vests or more, the manufacturer shall provide group instruction on above methods.
