CONTRACTORS/ All

CONTRACT NOS.: All

SUBJECT: Change in How to Use the Contracts (OSC Prior Approval Required)
Cap on Covered Items (\$200,000)

TO ALL STATE AGENCIES AND OTHERS AUTHORIZED TO USE STATE CONTRACTS:

Effectively immediately, the following changes in How to Use the Contract apply:

When a NYS Agency plans to make a purchase from this contract where a single items value is more than \$50,000 **prior approval by OSC will be required.** In submitting a purchase order to OSC for prior approval the authorized user must:

- Ensure that the commodities being acquired meet their form, function and utility needs;
- Document and justify the selection of the vendor;
- Document and justify the reasonableness of the price to be paid;
- Comply with the agency's internal policies and procedures

The basis for selection among multiple contracts at the time of purchase shall be the most economical alternative that meets form, function, and utility unless there are overriding practical issues, and should be in the best interests of the States, taking into consideration:

- Form, function and utility needs of the purchaser
- Price
- Overhead associated with storage and inventory of the goods
- Note that construction costs to prepare for installation are not covered in this award

1. These contracts are not limited to authorized equipment only. If using Federal Homeland Defense funds or Law Enforcement Terrorism Prevention Federal Grant monies end-users should check to be sure equipment they wish to purchase under this contract is authorized. End-users must notify the vendor at time of ordering (place information on Purchase Order) that these funds or grant monies are being used. This is required to enable vendors to meet Federal grant tracking requirements.
2. If you are purchasing a large volume of a specific piece of equipment or costly item and know the manufacturer of the product, please access the manufacturer line spreadsheet See Summary page at <http://www.ogs.ny.gov/purchase/spg/pdfdocs/3823219745ME.pdf>. This sheet lists manufacturers offered on this contract and the vendors carrying them. Obtain pricing from as many vendors as possible and compare. It is strongly recommended that contract users seek pricing from more than one contractor especially if they are purchasing large amounts of goods or high dollar amount items
3. If you do not have a specific manufacturer item in mind, please see the Category Matrix at <http://www.ogs.ny.gov/purchase/spg/pdfdocs/3823219745MX.pdf> which lists the types of equipment that may be offered by vendors for a list of contractors and equipment categories offered.
4. A price list is included in this award for each vendor so that you may check pricing. Select vendors offering the type of equipment you wish to purchase. Contact selected contractor and ask if pricing can be improved.
5. Choose the most cost effective option meeting your needs; document your choice for the procurement record and proceed with the purchase.
6. In case of emergency please follow your agency's emergency procedures.

Also effectively immediately, users may no longer purchase any item with a value greater than \$200,000 and all such items will be removed from the contracts. No new items of that value or greater will be added for the remainder of the contract term.

In addition to updating the pricelists, we have also updated our manufacturers list, contract use information, ordering contact information and included NYS Vendor Numbers for all contractors and a matrix that illustrates which equipment categories are covered by each contractor.

All other pricing, discounts, terms and conditions of the current contract remain unchanged.

Please direct communications pertaining to the above referenced contract to the PSG Associate listed above.

CONTRACTOR/ Mar-Vel International, Inc.

CONTRACT NO.: PC61966

SUBJECT: PRODUCT RECALL NOTICE-Gerber Gator Combo Axe

TO ALL STATE AGENCIES AND OTHERS AUTHORIZED TO USE STATE CONTRACTS:

The U.S. Consumer Product Safety Commission, in cooperation with the firm named below, today announced a voluntary recall of the following consumer product. Consumers should stop using recalled products immediately unless otherwise instructed. It is illegal to resell or attempt to resell a recalled consumer product.

Name of Product: Gerber(r) Gator(r) Combo Axe #22-49470

Units: About 103,000

Importer: Gerber Legendary Blades, of Portland, Ore., a division of Fiskars Brands Inc., of Madison, Wis.

Hazard: The knife in the axe handle can come out when the axe is used for chopping or hammering, posing a laceration hazard to the user.

Incidents/Injuries: Gerber has received five reports of laceration injuries. All required stitches.

Description: This recall involves the Gerber Gator Combo Axe, which has a 7-inch knife in the hollow axe handle. The axe is approximately 8.75 inches long with an axe head that is 4.75 inches x 2.7 inches. The axe handle is marked with the "Gerber" trademark. The Gerber Combo Axe II, which holds a saw in a longer axe handle, is not included in this recall.

Sold at: Retail stores nationwide since March 2005

Please direct communications pertaining to the above referenced contract to the Purchasing Officer listed above.

All other pricing, discounts, terms and conditions of the current contract remain unchanged.

CONTRACTOR/ ADS, Inc.
CONTRACT NO.: PC61961

SUBJECT: VOLUNTARY RECALL NOTICE – DIVING EQUIPMENT

TO ALL STATE AGENCIES AND OTHERS AUTHORIZED TO USE STATE CONTRACTS:

The U.S. Consumer Product Safety Commission, in cooperation with the firm named below, today announced a voluntary recall of the following consumer product. Consumers should stop using recalled products immediately unless otherwise instructed.

Name of Product: Dive Rite Wings

Units: About 16,000

Manufacturer: Lamartek Inc., dba Dive Rite of, Lake City, Fla.

Hazard: The over pressure valve springs in the diving equipment could rust and fail allowing the buoyancy compensator devices to leak, posing a drowning hazard to divers.

Incidents/Injuries: None reported.

Description: The Dive Rite Wings affected in this recall include the following models: Travel, Venture, Rec, Trek, Classic, Nomad and Super Wings. The wings were sold in red, blue or black. Springs were used on wings that have an opaque white or blue tinted bladder and welded in flanges. Wings with a black bladder are not affected. Only the Dive Rite wings that have a serial number range from 42000 through 72000 are affected by this recall. The serial numbers can be found on a white tag attached along a seam of the wing.

Sold at: Diving equipment retailers and distributors nationwide from June 2006 through October 2008 for about \$359.

Manufactured in: United States

Remedy: Consumers should immediately stop using recalled diving equipment and return it to an authorized distributor or dealer for a free replacement of the overpressure valve spring.

Consumer Contact: For additional information, contact your local dealer or Dive Rite at (800) 495-1046 between 9 a.m. and 4 p.m. ET Monday through Friday or visit the firm's Web site at www.diverite.com

For further information, please see this recall on CPSC's website, including pictures of the recalled products: <http://www.cpsc.gov/cpscpub/prere1/prhtml10/10086.html>

All other terms, conditions and contact information remain unchanged.

CONTRACTORS/

CONTRACT NOS.: All contract vendors under this award

SUBJECT: SHIPPING OUTSIDE OF CONTIGUOUS 48 STATES

TO ALL CONTRACT VENDORS AND END-USERS AUTHORIZED TO USE THESE MULTI- STATE CONTRACTS:

There is a change in the shipping terms and conditions to areas outside of the 48 contiguous United States.

Contract pricing : Price shall include all customs duties and charges and be net, F.O.B. destination any point in New York State (or for those vendors electing to participate in a multi-state contract any point within the participating States) as designated by the ordering agency including tailgate delivery, unless otherwise noted in the contract award.

EXCEPTION:

For those items shipped outside the 48 contiguous States, on which there are extraordinary freight charges that cannot reasonably be covered by the contract price, vendors may negotiate with those non-contiguous States regarding delivery terms and charges.

*Shipping is to be FOB Destination 48 states, Washington DC and **point of exportation** for Alaska, Hawaii, Puerto Rico, etc. for shipments outside the 48 contiguous states.*

It will be the responsibility of the vendors and the member State that is outside the contiguous 48 States, to negotiate fair shipping terms and charges. Shipping must be FOB destination to a shipping point within the contiguous 48 States. This location must be agreed to by the vendor and the negotiating State. From that point shipping terms, charges and conditions should be negotiated with the end-user. The State must be notified in advance of the possible shipping charges and agree to the final contract price and arrangements.

All other pricing, terms and conditions remain unchanged.

VWR INTERNATIONAL/PC61970

SUBJECT: HAZARDOUS INCIDENT RESPONSE EQUIPMENT (HIRE) OVERVIEW

TO ALL STATE AGENCIES AND OTHERS AUTHORIZED TO USE STATE CONTRACTS:

The first in a series of awards for equipment to meet Domestic Preparedness needs has been issued. The National Association of State Purchasing Officers (NASPO) and New York State (NYS) are pleased to announce that the NASPO/NYS contract for Hazardous Incident Response Equipment (HIRE), in which NYS is the lead procurement state, is now available.

The contracts are located on the OGS web site at:

<http://www.ogs.state.ny.us/purchase/spg/awards/3823219745CAN.HTM>

In addition to this link, anyone may access the contract by going to the OGS web site at: <http://www.ogs.state.ny.us> and after clicking on "Procurement Contracting Services" simply enter the Group No. 38232 , Award 19745 under "Search Contracts."

(continued)

When you go to the contract on the web you will see the page below. Let me explain briefly how we have attempted to set the contract up to facilitate your use.

The link to "Contract Use Information" provides an over view of how purchasers should buy off the contract and should be the first item you read.

The link to "Pricing Information" has each awarded vendor listed. By clicking on the vendor of choice, you will be brought to the complete price book for that vendor which shows the list price, the discount off the list price and the net price for the particular item. All pricing is inclusive of any administrative fees. **As with any catalog type contract, purchasers are strongly encouraged to shop among the multiple contractors and to seek deeper discounts when ordering in volume.**

The link for "Manufacturer Lines" is intended to facilitate shopping. For example, if a purchaser needs a 3M product, the "Manufacturer Lines" link will let the purchaser know which contractors carry 3M to facilitate shopping among the contractors, so you don't have to examine every contract and every price list.

The link for "Certified Equipment" is to show which equipment on the contract has been tested and meets appropriate industry standards that have been set by the government or other professional organizations such as NFPA- National Fire Prevention Association, UL - Underwriters lab, etc. Please note that there may be certified equipment carried by a particular vendor that is not listed. For questions regarding the procurement of equipment certified under the Office of Domestic Preparedness grant guidelines please refer to the Responder Knowledge Base website; <http://www2.rkb.mipt.org/>
