CONTRACT No.: PC65790 **CONTRACTOR:** Ennis Paint. Inc.
PC65791 Potters Industries, LLC

Per the Contract Award Notification (pages 5-7), a scheduled price adjustment has been calculated based on the lot-by-lot formula presented in the IFB. The following adjustments are effective as of October 1, 2016 and will remain in effect until further notice.

Each contract lot has specifically assigned U.S. Department of Labor Producer Price Indices which, when used in conjunction with the adjustment formula, combine to give an appropriate price adjustment. The calculations for this adjustment period used index values published in October, 2016. The resultant calculations for all lots exceeded the two percent (2%) adjustment limitation and the following price adjustments will apply.

LOT(s)	Lot Description	Calculated Adjustment
I - VI	Traffic Paint – All Varieties, Sizes & Colors	7.51%
VII	Accelerated Drying Agent	-8.98%

Therefore, the prices for all items contained in Lots I through VI of the contract shall be increased from the originally awarded price by 7.51%, while the prices for all items contained in Lot VII shall be reduced by 8.98% from the originally awarded price.

Please note Brandy Alden is now the Contract Manager for this procurement effective immediately.

All other terms and conditions of the contract award remain the same.

SUBJECT: Implementation of Scheduled Price Adjustment

ALL STATE AGENCIES AND OTHERS AUTHORIZED TO USE STATE CONTRACTS:

Per the terms of pages 5 through 7 of the Contract Award Notification, a scheduled price adjustment has been calculated based on the lot-by-lot formula presented in the IFB. The following adjustments to the original contract prices are hereby instituted effective on October 1, 2014 and will remain in effect until further notice.

Each contract lot has specifically assigned U.S. Department of Labor Producer Price Indices which, when used in conjunction with the adjustment formula, combine to give an appropriate price adjustment. The calculations for this adjustment period used index values published on September 30, 2014. The resultant calculations for all lots exceeded the two percent (2%) adjustment limitation and the following price adjustments will apply.

LOT(s)	Lot Description	Calculated Adjustment
I - VI	Traffic Paint – All Varieties, Sizes & Colors	9.011%
VII	Accelerated Drying Agent	-0.962%

The calculated adjustment for Lots I through VI exceed the 2% action threshold. Therefore, the prices for all items contained in Lots I through VI of the contract shall be increased from the originally awarded price by 9.011%.

The calculated adjustment for Lot VII did not exceed the 2% action threshold. Therefore, the prices for all items contained in Lot VII remain as listed in the original award.

All other terms and conditions of the contract award remain in effect and unchanged.

SUBJECT: Implementation of Scheduled Price Adjustment

ALL STATE AGENCIES AND OTHERS AUTHORIZED TO USE STATE CONTRACTS:

Per the terms of pages 5 through 7 of the Contract Award Notification, a scheduled price adjustment has been calculated based on the lot by lot formula presented in the IFB to become effective, June 2, 2014. The following adjustments to the original contract prices are hereby instituted effective this date and are to remain in effect until further notice.

All of the contract lots have a specifically assigned indices, which when in used in conjunction with the adjustment formula, combine to give an appropriate price adjustment related to the items in each lot, in comparison to pricing at the time of the bid. For any lot in which resultant calculation yields a result showing a change exceeding plus (+) or minus (-) two percent (2%) will have a price adjustment applied.

The following are the results of the calculations for this adjustment period, using index values as published on May 29, 2013:

LOT(s)	Lot Description	Calculated Adjustment
I - VI	Traffic Paint – All Varieties, Sizes & Colors	8.756%
VII	Accelerated Drying Agent	1.815%

The calculated adjustment for Lots I through VI exceed the 2% action threshold. Therefore the prices for all items contained in Lots I through VI the contract shall be increased from the originally awarded price. All pricing contained in Lots I through VI shall be increased by 8.756%.

The calculated adjustment for Lot VII did not exceed the 2% action threshold. Therefore the prices for all items contained in Lot VII are as listed in the original award.

All other terms and conditions of the contract award remain in effect and unchanged.

LOT(s)	Lot Description	Calculated Adjustment
I - VI	Traffic Paint – All Varieties, Sizes & Colors	5.383%
VII	Accelerated Drying Agent	1.959%

Users note that only Lots I through VI exceed the 2% threshold. Therefore the prices for all items in those lots are increased by 5.383%.

When applying the appropriate data to the formula for LOT VII, a calculated adjustment of 1.959% was achieved. As this does not exceed the 2% threshold, Lot VII is not eligible for a price adjustment at this time and the original awarded pricing continues on this lot.

All other terms and conditions of the contract award remain in effect and unchanged.
