**SUBJECT: FORD GOODWILL PAYMENT FOR FORD C-MAX PLUG-IN HYBRID (LOT I, ITEM 7)**

**TO ALL STATE AGENCIES AND OTHERS AUTHORIZED TO USE STATE CONTRACTS:**

Ford Motor Company has identified an error with fuel economy ratings for certain vehicles through its internal testing and notified the U.S. Environmental Protection Agency (EPA). Ford worked with the EPA as the agency retested the vehicles, which resulted in lower fuel economy ratings for Ford's 2013 and 2014 plug-in hybrid vehicles.

As a measure of goodwill, Ford will issue a payment check to contract users who purchased a 2014 Ford C-Max plug-in hybrid under Award 22759. The payment will reflect the estimated average fuel cost difference between the current combined miles-per-gallon estimate for your vehicle and the combined MPG estimate on the new label.

To obtain your goodwill payment please contact Erica McCray at Ford Motor Company:

Ford Motor Company has issued a recall notice on 2014 Ford C-Max vehicles. These vehicles are available under this Contract. Contract users who have purchased or intend to purchase this vehicle should contact the contractor listed above to determine if their vehicle is affected by the recall. The specifics on this recall are stated herein.

**SUMMARY:** Ford Motor Company (Ford) is recalling certain model year 2014 Ford C-Max vehicles manufactured from July 23, 2012, through May 28, 2013.
