**THREE COMPANIES RECEIVE NEW YORK STATE
SERVICE-DISABLED VETERAN-OWNED BUSINESS CERTIFICATION**

The Office of General Services Commissioner today announced that the following three businesses have recently been certified by the Office of General Services' (OGS) Division of Service-Disabled Veterans' Business Development (DSDVBD):

- Califon Systems LLC, located in Dallas, GA, distributes medical, surgical, dental supplies.
- Santa's House Inc., located in Angola, NY, is an independent performer.
- ValorCorps Solutions LLC, located in Milwaukee, WI, specializes in IT staffing.

The Division was created by Governor Andrew Cuomo in May, 2014 with enactment of the Service-Disabled Veteran-Owned Business Act. As of July 17, 2017, a total of 356 businesses have been certified.

The Act promotes and encourages participation of SDVOBs in NYS public procurements of public works, commodities, services and technology to foster and advance economic development in the State.
