The Office of General Services Commissioner today announced that the following five businesses have recently been certified by the Office of General Services' (OGS) Division of Service-Disabled Veterans' Business Development (DSDVBD):

- Empire Material USA LLC, located in Liverpool, NY, distributes sheetrock and metal studs.
- RWK Solutions Source Inc., located in Syracuse, NY, supplies low and medium voltage motors and pumps.
- ROTAC LLC, located in Roswell, GA, is a business consultant.
- Greg Hitchcock, located in Gloversville, NY, is a journalist and media communications professional.

The Division was created by Governor Andrew Cuomo in May, 2014 with enactment of the Service-Disabled Veteran-Owned Business Act. As of January 29, 2018, a total of 427 businesses have been certified.

The Act promotes and encourages participation of SDVOBs in NYS public procurements of public works, commodities, services and technology to foster and advance economic development in the State.
