	Wt. (Grams)	%	Wt. (Grams)	%
1/2"				
3/8"				
#4				
#50				
#200				
PAN				

Bidder/Contractor certifies that the above gradation analysis is an accurate representation of the abrasives to be supplied under this Invitation for Bids and that sufficient material is available to fulfill the contract requirements. Bidder/Contractor understands that upon award if they fail to supply the amount of abrasives ordered, or the abrasives supplied are outside the rejection gradation, the Authorized User may charge the Bidder/Contractor the difference between their bid price and the actual cost to the Authorized User of obtaining replacement abrasives.
