<b>Hardware and Software Modifications*</b>			
<b>Development and Implementation Services*</b>			
<b>Onsite Support Per Election*</b>			
<b>Acceptance Testing Support*</b>			
<b>Pollsite Surveys*</b>			
<b>Voting Machine Facility Assessm't &amp; Specs.*</b>			

\* In order to provide a thorough assessment of implementation costs (outside of the staff and Inspector training costs already provided) please see the breakdown on the following pages. A sample implementation schedule is included with this bid. While Lot II implementation may require similar personnel as Lot I implementation, the number of tasks will be considerably less. Correspondingly, the number of days and hours required to successfully install the system will also be less than Lot I.
