

2016 NYS Purchasing Forum & Trade Show

May 18 & 19, 2016 | Empire State Plaza Albany, NY

Businesses: Register Now

What is it?

The annual Purchasing Forum and Trade Show offers businesses a unique opportunity to interact with New York State, local government and other eligible purchasing agents. Regardless if you are a current contract holder with the state or not, we encourage you to exhibit at this event. In 2015 approximately 1,200 buyers from across the state attended this event who were responsible for purchasing in state agencies, municipal government, public and private schools, and other entities.

Why should I attend?

In response to past trade show participants, we will continue to offer valuable opportunities at this event for you. There will be an afternoon session dedicated to businesses on May 17, 2016 (trade show load-in day) where you will get training on a variety of topics related to government procurement. Then take what you learn and use it when meeting with agency buyers on Wednesday and Thursday, May 18-19, 2016 at the Trade Show.

How do I register?

Existing OGS contractors can register now by going to www.ogs.ny.gov/tradeshows to choose your booth at the Convention Center and indicate your preferences for training classes on Tuesday.

Other businesses that are interested in exhibiting, please contact the Customer Services Team at Customer.Services@ogs.ny.gov or by calling (518) 474-6717.

Showcase your company.

Participate in Meet & Greets.

Attend classes designed just for you.

Expand your customer base.

Meet your contract administrators.

Mark your calendars now and watch for additional information!
