

## For HBITS Non-Executive Agency

### How to Guide 1:

## The HBITS Form Process

---

### THE CANDIDATE SELECTION PROCESS

#### Steps 1-9 / Forms 1-3B

1. Prior to completing Form 1: Task Order Request Form, the Non-Executive Agency must have all Agency approvals and Federal approvals if applicable. (B1184 and PTP approvals should be noted "N/A").
2. The Non-Executive Agency completes [Form 1: Task Order Request Form \(TO\)](#) and then forwards to the HBITS Team at [HBITS.NonExecutiveAgencies@ogs.ny.gov](mailto:HBITS.NonExecutiveAgencies@ogs.ny.gov). Once the HBITS Team has assigned your request a number, a reply will be sent confirming receipt.
  - a. Spell out acronyms when writing request (at least for the first instance).
  - b. Explain program language(s), platforms, etc., used by agency specific systems.
3. The HBITS Team reviews the request, validates all data fields, and ensures that the TO form is in compliance with all contractual terms. Allow 2-3 days for processing.
  - a. If not in compliance, the TO will be returned to the Non-Executive Agency to edit and resubmit.
  - b. Once validated, the TO is sent via e-mail to all active HBITS Contractors.
4. Contractors review e-mail of new Task Order.
  - a. Contractors then propose candidates using [Form 2: Candidate Response Form](#). Allow 10 days for processing, not including date of transmission.
  - b. Contractor e-mails completed forms to [HBITS.Contractors@ogs.ny.gov](mailto:HBITS.Contractors@ogs.ny.gov).
5. The HBITS Team will collect all responses received and will submit them to the Non-Executive Agency within 2 business days. The Non-Executive Agency reviews the responses, validates mandatory requirements for HBITS title selected, reviews the requested qualifications, and ranks remaining candidates based on Hourly Bill Rate. The Non-Executive Agency must email the HBITS Team within 2 business days with the following results:
  - a. Listing of any Duplicate Candidate Submissions (lowest hourly bill rate prevails). (HBITS Team will release).
  - b. Listing of Candidates/Contractors who have FAILED the Mandatory. (HBITS Team will release).
  - c. Listing of Candidates/Contractors who did not pass the Cost Methodology. (HBITS Team will Release).
6. For those submissions that passed the review process and cost methodology, Non-Executive Agency reviews the candidate Form 2's to determine the most technically qualified to interview and notifies the HBITS Team using [Form 3A: Authorized User Preliminary Technical Evaluation Form](#) of the candidates it has selected to interview. All other candidates are released by the HBITS Team. Allow 1-5 days for processing.
  - a. Selection of candidates for interviews must be done within 5 days. Failure to complete this step timely may result in **all** candidates being released for consideration for other staffing requests.
7. Non-Executive Agency schedules interviews (at a minimum, top 3 candidates must be interviewed for 1 position). Agency interviews selected candidates to validate initial scores and qualifications. The Non-Executive

Agency then completes [Form 3B: Authorized User Interview Evaluation Form](#) for all interviewees. Allow 2-5 days for processing.

- a. Non-Executive Agency must include rationale when changing any qualification score.
  - b. Non-Executive Agency selects the highest technically scored candidate(s) after interviews.
  - c. Non-Executive Agency updates the HBITS Team of candidate(s) selected, all remaining candidates are released.
  - d. Non-Executive Agency works with contractor to set up start date with consultant.
8. The HBITS Team ensures that all forms have been completed by the Non-Executive Agency and the Contractor, and properly entered into the database.
9. Contractor performs all candidate placement requirements and finalizes on-boarding of consultant. Allow 10 business days for processing. This includes, but is not limited to:
- a. Necessary background checks.
  - b. All other necessary verifications are in place.

### **CONTRACTOR ENGAGEMENT**

#### **Steps 10-14 / Forms 4-8**

10. If the Non-Executive Agency or Contractor wants to modify the TO Form, they must complete [Form 5: Task Order Modification Request Form](#).
11. If the Non-Executive Agency has any issue with a Contractor they must complete [Form 6: Authorized User Issue Form](#).
- a. HBITS Team reviews and has final say on any issue.
  - b. All issues must be submitted in writing by completing Form 6. Issues cannot be submitted via phone call.
12. If a Contractor has any issue with an authorized user they must complete [Form 7: Contractor Issue Form](#)
- a. HBITS Team reviews and has final say on any issue.
  - b. All Issues must be submitted in writing by completing Form 7. Issues cannot be submitted via phone call.
13. Contractor sends monthly invoices directly to the Non-Executive Agency. Non-Executive Agency is responsible for verification and payment of the invoice per Contract terms.
14. Upon the end of the consultant engagement, Non-Executive Agency completes [Form 4: Task Order Satisfaction Form](#) and submits to HBITS Team.

### **ANNUAL CONTRACTOR EVALUATION**

#### **Step 15 / Form 9**

15. On an annual basis, the HBITS Team completes [Form 9: Contractor Performance Evaluation Process](#). Based on the outcome of the Performance Evaluations, the five lowest scoring Contractors will be removed from the active Contractor list and the five Contractors on the wait list will be placed on the active Contractor list.
