

GreenNY

Sustainable Food Establishments in New York State

In Compliance with Executive Order 4

Introduction

Restaurants across the State are committing to greener practices.

The following is a list of food purveyors that incorporate sustainability into their operations by doing such things as supporting local food and beverage distributors, and/or having an overall commitment to providing a greener, cleaner environment for their patrons in compliance with Executive Order Number 4.

To view updates to this list for establishments that comply with the Executive Order No. 4 Food Specification, please use the following websites:

- [DEC New York Environmental Leaders](#)
- [Green Restaurant Association](#)
- [TasteNY](#)

**Due to continuous change in the food and beverage industry, it is recommended that you contact the establishment well in advance for updated information.*

Please note this is a comprehensive list, which includes private organizations that may not be available to the public.

Frequently Asked Questions

Are State agencies required to rely upon this list for making state-funded food purchases?

Yes, State agencies are required to rely on the EO 4 Green Purchasing Specifications, in accordance with Executive Order No. 4, section D4:

<https://ogs.ny.gov/greenny/executive-order-4>

How does this list relate to the Green Purchasing Specification called “State-Funded Food”?

The list is compiled from three different certification programs, which meet the EO 4 State Funded Food Specification requirements.

Where can I find the Green Purchasing Specification?

For more information, visit:

<https://ogs.ny.gov/greenny/state-funded-food>

Why were these food purveyors chosen?

Each of the certification programs will periodically update their own list online. For the convenience of sustainability coordinators, information was collected from three separate entities and combined into one document. For the most up-to-date information, refer to the original sources using the links at the beginning of the document.

Is there anything else State agencies should know?

EO 4 compliant purchases (dollar amounts) should be tracked and reported annually in the EO 4 Report.
