TO ALL PROSPECTIVE BIDDERS:

The Office of General Services (OGS), Procurement Services (PS) has given careful consideration to the inquiries received in regard to 05302 – *Solar Power Purchase Agreements* during the inquiry period that ended close of business, April 10, 2019.

As part of the response to the inquiries, OGS has made revisions to the Solicitation which are listed below. Please note that the **bids submitted will be evaluated based on the revised Solicitation documents.**

- Solicitation 23017 PRB Revised 2019-04-22, Section 3.2 Cost Proposal has been revised to add the following:
 4. Pricing for Item 4, 'Storage System with Smart Inverter', is a standalone Not to Exceed Price for the storage system expressed in dollars per kWh for the electricity produced by the Photovoltaic System. It does not include the cost of the Photovoltaic System which is included in Items 1 – 3.

- 23017 PRB Attachment 01 Revised 2019-04-22 - Price Page tab, 'Notes' has been revised to add the following:
 5. Pricing for Item 4, 'Storage System with Smart Inverter', is a standalone Not to Exceed Price for the storage system expressed in dollars per kWh for the electricity produced by the Photovoltaic System. It does not include the cost of the Photovoltaic System which is included in Items 1 – 3.

The revised solicitation is being released simultaneously with the responses to the inquiries. In addition, OGS is releasing a list of MWBE companies that have expressed interest in partnering with bidders.

Answers to all inquiries, revisions and the list of interested MWBE companies can be obtained by visiting the Procurement Services Bid Calendar: <https://ogs.ny.gov/procurement/bid-document-files-solar-power-purchase-agreements-statewide>

All other terms and conditions of the bid solicitation remain unchanged. All bids shall be considered on the basis of this amendment.

If submitting a bid, this letter should be signed, attached to, and made a part of your bid.
