The above referenced IFB has been amended to include the change outlined here in the “OGS Bidder Questions/Responses”. This amendment has not been reflected in revised IFB documents, but shall be considered to be final terms and conditions and required specifications when submitting a bid, as if fully set forth in the IFB documents. This amendment shall be incorporated in the final Contract(s) resulting from IFB 23161.

Solicitation Document Name	Document Section	Bidder Question	OGS Answer
Appendix B	Clause 43(b)	The State of NY’s prior natural gas solicitation IFB Number 23008, it had removed Appendix B , Clause 46 (b)’s language from the contract in response to question QA reply 20. Will the State be able to remove the same clause (Appendix B , Clause 46 (b)) for termination for convenience for the this contract similarly?	Appendix B, Clause 43(b) Termination for Convenience has been deleted. This amendment has not been reflected in revised IFB documents, but shall be considered to be final terms and conditions and required specifications when submitting a bid, as if fully set forth in the IFB documents. This amendment shall be incorporated in the final Contract(s) resulting from IFB 23161.
Attachment 9 - Delivery Schedule	Lot 9	In review of the data regarding Bid Lot 9, the bid documents indicate an annual volume of roughly 150,000 Dth annually. On review, the data we have reviewed shows the accounts last annual usage to be roughly 235,000 Dth. The respective load change appears to be with accounts belonging to the Mt Vernon schools. 1). Can the State provide confirmation or guidance related to change in volume being used? 2). Does the state desire contracting for only the portion of the load requested?	1). The monthly dekatherms listed for all accounts were submitted by Authorized Users. OGS Procurement Services cannot confirm how accounts obtained the monthly volumes. 2). Please see Section 1.3 – Estimated Quantities. “The Contractor must furnish all quantities actually ordered at or below the Contract prices.”

All other terms and conditions for IFB 23161 remain the same.
