

Solicitation 23172 - Bidder Inquiries and Responses

#	Solicitation Document Name	Document Section (Name or No.)	Comment / Question / Bid Deviation	Response
1	Solicitation	3.5 Finished Paint Requirements	Chart B in the Table of Section 3.5 has coordinates 1,2, and 4. Coordinate 3 has been removed but is necessary to complete the color box.	<p>Chart B has been revised (in Section 3.5 Finished Paint Requirements) to include Coordinate 3 information.</p> <p>Please see revised Solicitation (Revised August 1, 2019).</p>
2	Solicitation	3.6 Packaging	Can you please provide the exact specifications for the 275 Gallon High Density Polyethylene IBC Tote?	<p>Section 3.6, Packaging states “the paint shall be packaged in shipping containers which meet U.S. Department of Transportation Code of Federal Regulations (CFR) Title 49, Parts 173 and 178.”</p> <p>Section 3.6, Packaging, Paragraph A states that the paint shall be supplied in the following types of containers: “275 Gallon High Density Polyethylene IBC Totes. Clean and sound, high-density polyethylene totes. Totes must be able to maintain structural integrity during transport and storage and be capable of being stacked.”</p>
3	Solicitation	5.2 Product Approval	Are steel cans acceptable containers for the submission of yellow traffic paint product(s) sample for testing and approval by NYSDOT Materials Bureau?	Yes. See revision to Section 5.2, Product Approval.
4	Solicitation	5.2 Product Approval	Are there samples that are due before the bid opening date, or with the bid package?	<p>No, samples are not required to be submitted before the Bid Opening Date or with the bid package.</p> <p>Section 5.2 Product Approval states that “Product samples shall be submitted within 30 calendar days of submission of the bid.”</p> <p>Also, Section 5.2 Product Approval states that if a Bidder’s product has not been approved by NYSDOT Materials Bureau prior to award that Bidder “will be listed as Award Pending until the required approvals are obtained.”</p>
