INSTRUCTIONS

APPLICATION FOR EASEMENT, LEASE, OR PERMITTED USE OF LAND UNDERWATER

An application for a grant of Easement, Lease, or Permit in lands underwater, pursuant to Article 6 Section 75 Subdivision 7(b) of the Public Lands Law, shall be made to the Commissioner of General Services.

Please read these instructions and the enclosed pages. The application is composed of pages 1 through 6 and is intended to provide information on the existing or proposed structure, use of project, and notice of the project to the adjacent shorefront owners and the municipality. Applicant should fill out each page of the application and return the same to the address set forth at the end of these instructions.

- Page 1 and 2, *Petition*, are for the applicant's name, location, and deed ownership of adjacent owners' properties together with a description of the purpose of the easement. **Please Note, as detailed on Page II of these instructions, the requirement of material necessary to complete the application process**
- Page 3, *Affidavit of Applicant*, is a verification of applicant's or corporate officer's identity. It must be notarized.
- Page 4, *Notice of Application*, to be served upon the local municipality and upon the adjacent shorefront owners. **Please allow a period of at least twenty (20) days after the date of service of the notice of application before you submit your application to allow the municipality and adjacent shorefront owners sufficient time to comment on your application.**
- Page 5 is the *Affidavit of Service* providing proof that you served the local municipality. (*One affidavit for each service made*). It must be notarized.
- Page 6 is the *Affidavit of Service* providing proof that you served the adjacent shorefront owner(s). It must be notarized.
- You must complete "Part 1 of the Environmental Assessment Form (EAF)" which can be found at the web address <https://www.dec.ny.gov/permits/6191.html> using the "EAF Mapper Application" which can be found at this web address <http://www.dec.ny.gov/eafmapper/> . If the project is an Unlisted Action, submit a completed Part 1 of a Short Environmental Assessment Form. If the project is a Type I Action, submit a completed Part 1 of a Full Environmental Assessment Form.

The following documents shall be submitted with your Petition for use of underwater lands.

- A map made by a licensed land surveyor pursuant to Section 7208 of the New York State Education Law showing the location of proposed structure(s), the upland property of the applicant and those of adjoining properties along the waterfront;
- A metes and bounds description of the lands applies for including the desired width of the proposed easement. The description shall refer to permanent tie points or monuments on the shore;
- A certified copy of the deed(s) of the applicant's adjacent upland;
- A copy of adjoining shorefront deed(s) and a copy of the applicable tax map section;
- A duplicate copy of any permit or letter issued by a local or governmental regulatory agency including but not limited to the U.S. Department of the Army Corps of Engineers, the New York State Department of State, The New York State Department of Environmental conservation.
- A completed environmental assessment form;
- Other satisfactory evidence of compliance with the State Environmental Quality Review Act;
- The Commissioner may require additional submissions such as permits and/or letters from the NYS Office of Parks, Recreation and Historic Preservation, the Power Authority of the State of New York and county or local agencies.

Receipt of these materials will be acknowledged immediately. After an initial review, the applicant will be advised of the fees required and whether further information is necessary.

Applications should be sent to:
