## INSTRUCTIONS APPLICATION FOR A GRANT OF LAND UNDERWATER

An application for a grant of land underwater, pursuant to Article 6 Section 75, Subdivision 7(a) of the Public Lands Law, shall be made to the Commissioner of General Services.

Please read these instructions and the enclosed pages. The application is composed of pages 1 through 9 and is intended to provide information on the existing or proposed structure, use of proposed grant, and notice of the project to the adjacent shorefront owners and the municipality. **Applicant should fill out both pages of the *Notice of Intention* first, and return the same to the address set forth at the top of Page 1, *Notice of Intention*. Whereupon the Commissioner of General services will determine whether or not to proceed further.**

- Page 1 and 2, *Notice of Intention*, serves as a preliminary, or advance, notice to the Commissioner of General Services detailing the lands sought to be conveyed. It lists the applicant's name and address and, outlines the location of the project, description of the purpose of the conveyance, along with deed ownership of said property, of adjacent owners' properties, preliminary or existing mapping and other pertinent information.
- Page 3, *Notice of Application*, serves as a preliminary, or advance, notice to the municipality and adjoining shorefront land owners detailing the lands sought to be conveyed. It states the date on which application to the Commissioner of General Services will be made **[postdated twenty-eight (28) days in the future]**. It further contains the description of the underwater land(s) applied for (as detailed on the official map), the boundaries of said land(s), a listing of all adjacent owners, and provides direction that all objections be filed with the Division of Land Utilization (State Asset and Land Management) on or before said application date. **This form should not be prepared until a determination has been made by the Commissioner of General Services.**
- Page 4, *Affidavit of Publication*, shows publication of the *Notice of Application* took place at least once per week for four (4) successive weeks in a newspaper published in the county or counties in which the land applied for is situated. First publication must be at least 28 days prior to the date of application. It must be notarized.
- Page 5, *Affidavit of Posting Notices on Courthouse*, shows that the *Notice of Application* was posted at the courthouse of the county or counties in which the land applied for is situated. Said posting must be on or before the date of first publication and must be at least 28 days prior to the date of application. It must be notarized.
- Page 6, *Affidavit of Service on an Owner(s) of Adjoining Land(s)*, shows that the *Notice of Application* was served personally on each of owners of waterfront land adjoining the upland of the applicant. However, if, after diligent effort, such could not be accomplished, service can be made by affixing the *Notice of Application* to the door of either said adjoining owners' home or place of business and mailing the notice via certified mail, return receipt requested, to the adjoining owners' home or place of business. Said service must be made at least 20 days prior to the date of application. It must be notarized.

- Page 7, *Affidavit of Applicant*, is a verification of applicant's or corporate officer's identity. It must be notarized.
- Page 8, *Affidavit of Service on Mayor, Supervisor, or Clerk* shows that the Notice of Application was served upon the local municipality. Said service must be made at least 20 days prior to the date of application. It must be notarized.
- Page 9, *Affidavit of Service on the Corporation Counsel of the City of New York*, shows that the Notice of Application was served upon the City of New York's Corporate Counsel. (*This affidavit applies only when the land applied for is situated within the City of New York*). Said service must be made at least 20 days prior to the date of application. It must be notarized.
- You must complete "Part 1 of the Environmental Assessment Form (EAF)" which can be found at the web address <https://www.dec.ny.gov/permits/6191.html> using the "EAF Mapper Application" which can be found at this web address <http://www.dec.ny.gov/eafmapper/> . If the project is an Unlisted Action, submit a completed Part 1 of a Short Environmental Assessment Form. If the project is a Type I Action, submit a completed Part 1 of a Full Environmental Assessment Form.
