

To provide an opportunity for the State Procurement Council to fully evaluate the effect of Mail Fulfillment Services on NYS businesses and Preferred Sources, I move to continue the provisional inclusion of the definition of Mail Fulfillment Services to the List of Preferred Source Service Offerings until the third meeting of the Council taking place in 2023, at which time the Council shall decide whether to (i) add Mail Fulfillment Services permanently to the List of Preferred Source Offerings (the "List"), (ii) eliminate Mail Fulfillment Services from the List, or (iii) extend the provisional effectiveness of Mail Fulfillment Services for further study. During the provisional approval period, the Council may also, upon an affirmative vote on a motion, modify or eliminate the definition of Mail Fulfillment Services.
