SECTION 1 INTRODUCTION

1.1 OVERVIEW.

This Solicitation is issued by the New York State ("NYS") Office of General Services ("OGS") for the purchase of Voting Systems and Related Services and Accessories ("Voting Systems"), including voting systems, ballot marking or other voting devices accessible to individuals with disabilities, and related accessories, consumables, training, maintenance, and other related services as specified herein, for all NYS County Boards of Elections (hereinafter referred to as Authorized Users) to purchase through this Solicitation. Contracts will be awarded to established voting system manufacturers who are responsive and responsible and that meet the bidder qualifications, bid requirements, and terms and conditions of this Solicitation, as specified herein. Reseller participation is not allowed.

This Solicitation shall result in multiple non-competitively established Centralized Contracts to be awarded on a statewide basis. Authorized Users are not required to release an RFQ to purchase under these Contracts. The Contracts shall be awarded for up to five (5) years with the option of a one (1) year extension. This Procurement includes provisions for Periodic Recruitment.

This Solicitation outlines the terms and conditions and all applicable information required for submitting a viable Bid. Bidders must read the language of this Solicitation thoroughly, pay strict attention to the Bid submission date and time, and precisely follow the instructions included in the Solicitation, attachments, and addendums, to ensure compliance with Bid requirements and prevent possible disqualification.

Attachment 11 – *How to Use* provides guidance to both Bidders and Authorized Users on utilizing any resulting Award.

1.2 SCOPE.

OGS is requesting proposals from established and qualified manufacturers of Voting Systems certified by the New York State Board of Elections ("SBOE").

1.3 ESTIMATED QUANTITIES.

A Contract resulting from this Solicitation shall be an estimated quantity Contract. No specific quantities are represented or guaranteed and the State provides no guarantee of individual Authorized User participation. The Contractor must furnish all quantities actually ordered at or below the Contract prices. The anticipated dollar value of the award for this Solicitation, based on historical purchases under previous awards, is approximately \$75,000,000.00 for the Contract Term. See "Estimated/Specific Quantity Contracts" and "Participation in Centralized Contracts" in Appendix B, *OGS General Specifications*.

The individual value of each resultant Contract is indeterminate and will depend upon the number of Contracts issued and the competitiveness of the pricing offered. Authorized Users will be encouraged to purchase from Contractors who offer the Products and pricing that best meet their needs in the most practical and economical manner. See Appendix B, *Estimated/Specific Quantity Contracts and Participation in Centralized Contracts*.

Numerous factors could cause the actual quantities of Products purchased under a Contract resulting from this Solicitation to vary substantially from the estimates in the Solicitation. Such factors include, but are not limited to, the following:

- Such Contracts may be non-exclusive Contracts.
- There is no guarantee of quantities to be purchased, nor is there any guarantee that demand will continue in any manner consistent with previous purchases.
- The individual value of each Contract is indeterminate and will depend upon actual Authorized User demand and actual quantities ordered during the Contract Term.
- The State reserves the right to terminate any Contract for cause or convenience prior to the end of the Contract Term pursuant to the terms and conditions of the Contract.

- Contract pricing that is lower than anticipated could result in a higher quantity of purchases by Authorized Users than anticipated.
- Contract pricing that is higher than anticipated could result in a lower quantity of purchases by Authorized Users than anticipated.

By submitting a Bid, Bidder acknowledges the foregoing and agrees that actual good faith purchasing volumes during the Contract Term could vary substantially from the estimates provided in this Solicitation.

1.8 BID DEVIATIONS.

Bids must conform to the terms set forth in the Solicitation. If Bidder intends to submit a Bid that deviates from the requirements of the Solicitation in any way, the proposed deviations should be submitted during the Questions period so that they may be given due consideration prior to the submission of Bids. Material deviations (including additional, inconsistent, conflicting, or alternative terms) submitted with the Bid may render the Bid non-responsive and may result in rejection of the Bid.

Bidder is advised that OGS will not entertain any exceptions to Appendix A (Standard Clauses for New York State Contracts). OGS will also not entertain exceptions to the Solicitation or Appendix B (General Specifications) that are of a material and substantive nature.

Extraneous terms submitted on standard, pre-printed forms (including but not limited to: product literature, order forms, license agreements, contracts or other documents) that are attached or referenced with submissions shall not be considered part of the Bid or resulting Contract but shall be deemed included for informational or promotional purposes only.

1.9 SUMMARY OF POLICY AND PROHIBITIONS ON PROCUREMENT LOBBYING.

Pursuant to State Finance Law § 139-j and § 139-k, this Solicitation includes and imposes certain restrictions on communications between OGS and a Bidder during the procurement process. A Bidder is restricted from making contacts from the earliest posting, on a governmental entity’s website, in a newspaper of general circulation, or in the procurement opportunities newsletter of an intent to solicit offers/Bids through final award and approval of the Procurement Contract by OGS and, if applicable, the Office of the State Comptroller (“Restricted Period”) to other than designated staff unless it is a contact that is included among certain statutory exceptions set forth in State Finance Law § 139-j(3)(a). Designated staff, as of the date hereof, are identified on the first page of this Solicitation. OGS employees are also required to obtain certain information when contacted during the Restricted Period and make a determination of the responsibility of the Bidder pursuant to State Finance Law §139-j and §139-k. Certain findings of non-responsibility can result in rejection for Contract award and, in the event of two findings within a four-year period, the Bidder is debarred from obtaining governmental Procurement Contracts for four years. 2. The Bidder will quote and provide a statewide, uniform price for each unit of the Voting System's equipment.
3. The submitted Voting System's Software does not contain any code, procedures or other material (including but not limited to 'viruses,' 'worms,' 'time bombs,' and 'drop dead' devices that may cause the voting system to cease functioning at a future time), which may disable, damage, disarm or otherwise affect the proper operation of the Voting System, any hardware, or any computer system or other property of the SBOE or Authorized User, and any submitted Voting System provides methods through security seals or device locks to physically secure against attempts to interfere with correct system operations. Such physical security shall guard access to machine panels, doors, switches, slots, ports, peripheral devices, firmware, and software.
4. Upon award, the Bidder shall have fifteen (15) business days to forward to OGS a performance bond or letter of credit to cover any and all expenses, costs, and damages, including but not limited to all costs of inspecting or testing a Voting System that does not meet the standards contained in 9 CRR-NY 6209 and all costs incurred in conducting any new election resulting from any breach of the warranties and representations required to be made anywhere in 9 CRR-NY 6209, or in the NYS Election Law. The amount of said performance bond or letter of credit has been set by the SBOE in the amount of 0.5% of the total estimated value of the Contract, \$75,000,000.00. See Section 8.8 of this Solicitation.
5. For purposes of the initial purchases of voting machines and systems, pursuant to the Federal Help America Vote Act of 2002, and the State Election Reform and Modernization Act of 2005, all contracts entered by the SBOE or Authorized User with Contractors must comply with OGS regulations on purchasing procedures and purchases from preferred sources, found in NYCRR Title 9, Subtitle G, Subchapter A, Part 250, section 250.0 through and including section 250.11.

Bidder Submissions which do not require the submission of clarifying information or documentation from the Bidder will be awarded first. Bidder Submissions which require clarification will be awarded as issues are resolved.

The State reserves the right to make "NO AWARD" on individual listings or sub-items.

6.2 REVIEW OF BIDS.

After OGS' receipt of a Bid, each Bid will be reviewed for conformance with the stated Bidder Qualifications, as set forth in Section 2, *Bidder Qualifications*, completeness of the Bid Submission including adherence to required formats, and price reasonableness. Any Bid not meeting any of the Bid requirements may be denied further consideration for Award.

Bids will be reviewed to ensure that the Bidder has provided all required documents and/or Attachments, completed in full, and in original hard copy where requested, as set forth in Section 4.4, *Content of Bid Submission*. Failure by a Bidder to provide properly completed documents and/or attachments may result in their Bid being deemed non-responsive and denied further consideration for Award.

Bidders may be requested by Procurement Services to clarify the contents of their Bids during bid review.

6.3 NOTIFICATION OF AWARD.

Tentative Award of the Contract shall consist of Written notice, via e-mail, by OGS to selected Bidder, who shall execute a Contract upon a determination by OGS that the Bidder is responsive and responsible and has fulfilled all requirements of this Solicitation.

Non-awardees will also be notified that their Bid was not selected for award.

6.4 INCORPORATION.

Portions of the successful Bidder's Bid and of this Solicitation shall be incorporated into a final Contract, with a separate document executed by Contractor and OGS. A final Contract will be formalized either through a separate contract document or through a contract award letter incorporating the Bid, each having its own provision governing conflict of terms.

6.5 OSC APPROVAL

Pursuant to the Memorandum of Understanding ("MOU") dated August 15, 2019 between the Offices of the New York State Governor Andrew M. Cuomo ("Executive"), New York State Comptroller Thomas P. DiNapoli ("OSC"), the State University of New York ("SUNY"), the State University of New York Construction Fund ("SUCF"), the City University of New York ("CUNY"), and the City University of New York Construction Fund ("CUCF"), procurement documents and Contracts awarded under this Solicitation shall have no force and effect and the State bears no liability unless such procurement documents and Contracts awarded under this Solicitation are approved by OSC or the pertinent pre-audit review period under the MOU has elapsed.

SECTION 7 EVALUATION METHOD

A Bidder responding to this Solicitation is advised that each Bid will undergo an initial administrative review for completeness. In order for a Bid to be evaluated, it must include all required documents for a complete Bid (see Section 4.4, *Content of Bid Submission*.)

Evaluation of Bidder Submissions shall consist of two (2) separate parts: (1) Administrative Review and (2) a Financial Review.

7.1 ADMINISTRATIVE REVIEW (PASS/FAIL).

Bidder Submissions will undergo an initial administrative review for completeness. For the evaluation of a Bidder Submission to proceed beyond the initial administrative review, all required information, forms, and signatures must be included. See Section 4, *Bidder Submission* for additional information.

7.2 FINANCIAL REVIEW (PASS/FAIL).

The Bidder Submission shall include a completed Attachment 1, *Pricing* document, with all necessary fields completed in accordance with the instructions. All prices submitted are subject to a reasonableness of price evaluation as outlined within Section 3.6, *Reasonableness of Price*. Prices that are determined by OGS to not be reasonable may result in a failure to meet the financial requirements and therefore an unresponsive Bid.

SECTION 8 TERMS AND CONDITIONS

8.1 CONTRACT TERM AND EXTENSIONS.

It is the intention of the State to enter into a Contract for a term of five years except that the commencement and termination dates appearing on the Request for Proposals may be adjusted forward unilaterally by the State for any resulting contract for up to two calendar months, by indicating such change on the Contract Award Notification.

The contract dates may be adjusted forward beyond two months only with the approval of a successful Bidder. If, however, a Bidder is not willing to accept an adjustment of the contract dates beyond the two-month period, the State reserves the right to proceed with an award to another Bidder.

The parties may renew the contract, upon approval of the NYS OGS and SBOE, upon expiration of the original term for an additional one (1) year term. Upon termination of the Contract, all rights and obligations set forth herein shall survive in accordance with their terms as to procurements made or individual licenses granted to Authorized Users prior to such termination.

8.2 PERIODIC RECRUITMENT

This Solicitation allows for periodic recruitment of additional Contractors during the term of the Contract. Recruitment periods are optional at the discretion of the State. Additional recruitment periods will be advertised in the NYS Contract Reporter. Bidder must register with the New York State Contract Reporter at <https://www.nyscr.ny.gov> in order to receive notifications regarding any periodic recruitments under this Solicitation. Bids shall be evaluated under substantially the same terms and conditions as the original Bids. Bidders shall also be required to submit necessary documentation for any additional applicable statutory requirements in effect at the time of the new Solicitation.

8.3 CANCELLATION FOR CONVENIENCE.

The State of New York retains the right to cancel any Contract resulting from this Solicitation, in whole or in part without reason provided that the Contractor is given at least sixty (60) calendar days' notice of its intent to cancel. This provision should not be understood as waiving the State's right to terminate the Contract for cause or stop work immediately for unsatisfactory work, but is supplementary to that provision. Any such cancellation shall have no effect on existing Purchase Orders, which are subject to the same 60-day discretionary cancellation or cancellation for cause by the respective Authorized Users.

8.4 SHORT TERM EXTENSION.

This section shall apply in addition to any rights set forth in Appendix B, *Contract Term – Extension*. In the event a replacement Contract has not been issued, any Contract let and awarded hereunder by the State may be extended unilaterally by the State for an additional period of up to 30 calendar days upon notice to the Contractor with the same terms and conditions as the original Contract and any approved modifications. With the concurrence of the Contractor, the extension may be for a period of up to 90 calendar days in lieu of 30 calendar days. However, this extension automatically terminates should a replacement Contract be issued in the interim.

8.5 CONFLICT OF TERMS - CONTRACT.

Conflicts among the Contract documents shall be resolved in the following order of precedence:

- Appendix A, *Standard Clauses for New York State Contracts*;
- Contract;
- Appendix B, *General Specifications*;
- All other appendices and attachments to the Contract.

This provision is separate and independent from the Conflict of Terms Among Solicitation Documents provision found in Section 1.12 of this document, which pertains to this Solicitation.

8.6 PRICE LIST UPDATES.

Contractor may update its price list as provided in this Section. All price list modifications proposed by Contractor shall be processed in accordance with Appendix C, *Contract Modification Procedures*.

Contractor may submit a request for Product addition, change, and/or deletion at any time following the commencement date of the Contract, and on an as-needed basis during the Contract Term. The Discount offered on any new Products added to the Contractor's price list shall be no lower than the minimum established product category Discount. Contractors shall submit all requests to the OGS Procurement Services Contract administrator in the form and format contained in Appendix C, *Contract Modification Procedures* for the review and written approval of OGS. The State reserves the right to request copies of existing contracts or price lists to ensure that the prices offered to the State are reasonable and commensurate with similar purchasers.

Commencing at a minimum after the first anniversary of the date that the Contractor's Bid was opened by OGS, and annually thereafter, the Contractor may update the price list to reflect Contractor price changes, once every 365 calendar days per Product. Price Increase updates are subject to all Contract update provisions included within Appendix C, *Contract Modification Procedures*.

Contractors may submit requests for price adjustments no sooner than 30 calendar days prior to the anniversary of the date that their Bid was opened by OGS, but no price adjustments shall become effective until approval by OGS on or after the anniversary date. Contractors may request subsequent price adjustments annually thereafter. Requests from Contractor(s) for price increases at any other time will not be granted. The Contractor shall provide OGS with one electronic copy of the updated pricing. No Price Updates will be granted to any Contractor who needs to submit Sales Reports, Proof of Insurance or any other documentation that is required under the resulting Contract.

Contractors shall be permitted to reduce their pricing any time during the Contract Term.

The Discount offered on any new Products added to price lists shall be no lower than the minimum established product category Discount. Contractors shall submit their updated price list to the OGS Procurement Services contract administrator pursuant to the requirements of this section for review and written approval prior to issuing to Authorized Users or posting to the Contractor's dedicated New York State website. The State reserves the right to request copies of existing contracts or price lists to ensure that the prices offered to the State are reasonable and commensurate with similar purchasers.

All approved price list updates shall apply prospectively upon approval by OGS. Total price increases for price list updates in a single year of the Contract shall not exceed the maximum price increase cap as set forth in the *Maximum Price Increase* subdivision, below. All percentage Discounts shall either remain firm (unchanged) or they may increase for the duration of the Contract Term.

8.6.1 Price list Format.

Contractors are required to submit Contract price list updates electronically in an unprotected Microsoft Excel (2019 or lower version) spreadsheet on USB flash drive or via e-mail to the OGS Procurement Services contract administrator. The price list must be dated and the format shall be consistent with the format of the Contractor's approved Contract price list. The price list shall separately include and identify (e.g., by use of separate worksheets or by using highlighting, italics, bold and/or color fonts):

- Price increases;
- Price decreases;
- Products being added; and
- Products being deleted.

8.6.2 Contractor's Submission of Contract Updates.

In connection with any Contract price list update, OGS reserves the right to:

- Request additional information;

- Reject Contract updates;
- Remove Products from Contracts;
- Remove Products from Contract updates; and
- Request additional Discounts for new or existing Products.

8.6.3 Maximum Price Increase.

In a single year of the Contract, the maximum price increase for each individual item on contract shall not exceed the percent increase in the latest available National Consumer Price Index - All Urban Consumers (CPI-U), Not Seasonally Adjusted, U.S. City Average, All Items (Series Id: CUUR0000SA0, CUUS0000SA0); as published by the U.S. Department of Labor, Bureau of Labor Statistics, Washington, D.C. 20212. CPI-U data may be obtained at www.bls.gov.

The following example illustrates the computation of percent change:

CPI for current period	230.000
Less CPI for previous period	225.000
Equals index point change	5.000
Divided by previous period CPI	225.000
Equals	0.022
Result multiplied by 100	0.022 x 100
<hr/>	
Equals percent change	2.2

The "CPI for current period" shall be the index in effect at the time the Contract price list update request is received; "CPI for previous period" shall be the index in effect when the Contract price list was last updated. Increases are not cumulative. Price increases are limited to the prior year prices only.

8.7 BEST PRICING OFFER.

During the Contract Term, if substantially the same or a smaller quantity of a Product is sold by the Contractor outside of this Contract upon the same or similar terms and conditions as that of this Contract at a lower price to a federal, State or local Government Entity, the price under this Contract, at the discretion of the Commissioner, shall be immediately reduced to the lower price.

8.8 PERFORMANCE BOND OR LETTER OF CREDIT.

PERFORMANCE BONDS: Upon award, the Contractor has fifteen (15) business days to forward a performance bond or letter of credit in the amount of 0.5% of the total estimated value of the Contract, \$75,000,000.00, to OGS. If the performance bond or letter of credit is not received by the close of business on the 15th day, the award may be cancelled. The Performance Bond must be issued annually for five years unless said term is extended after agreement by both parties. OGS has the right to recover damages from the performance bond pursuant to the terms and conditions of the Contract on behalf of the State where standard arrangements for the refund of monies cannot be recovered by a credit issued by the Contractor against present or future payments due, or under circumstances where the Contractor has refused credits to the State where such credits are due under the terms of the Contract. The SBOE may permit substitution of a performance bond of a lesser value during the Contract Term. If the Contractor provides additional security deposit in the form of a performance bond as required herein, the Contractor shall renew the performance bond at least seven (7) calendar days prior to the cancellation date of the performance bond. If the Contractor fails to comply with the foregoing, the State shall thereafter be authorized to take action on the performance bond and utilize the cash proceeds as security for performance under the Contract. If the credit rating of any bonding company that has provided the Contractor with a performance bond provided as security hereunder has fallen below "B", OGS will provide Written notice to the Contractor that the Contractor must provide a replacement bond within fifteen (15) calendar days of OGS's Written notice. If the Contractor fails to comply with the foregoing, the State shall thereafter be authorized to take action on the performance bond and utilize the cash proceeds as security for the Contractor's performance under the Contract. Notwithstanding anything contained in the

Contract to the contrary, the State shall be authorized to draw down the full amount of any letter of credit or take action on any performance bond provided by the Contractor as security hereunder if the Contractor defaults on its performance under the Contract, as required herein.

The State and the Contractor agree that recovery against the performance bond will be subject to the following conditions:

(1) FOR AMOUNTS LESS THAN \$1,000,000

(a) signed and dated certification from an authorized representative of the State indicating that:

- (i) as applicable, Contractor has failed to issue credits under Contract No. _____ ;
- (ii) the State and Contractor have attempted, through good faith dispute resolution efforts undertaken at the Contractor's Vice-Presidential levels and equivalent State senior executive management levels, to 'resolve' such matters to the parties' satisfaction, and such attempts have not been successful;
- (iii) after the conclusion of such dispute resolution efforts, the State notified Contractor, as applicable, by either overnight express mail with verifiable delivery or by certified mail, return receipt requested, of the unresolved matters, and, in such notice, gave Contractor 30 calendar days from receipt of such notice to remedy such matters.
- (iv) as applicable, Contractor did not satisfactorily remedy such matters; and
- (v) the State has calculated the amount of the damages requested in the draft in accordance with the provisions of the Contract and the laws governing the Contract.

(2) FOR AMOUNTS MORE THAN \$1,000,000

- (a) signed and dated certification from an authorized representative of the State containing the statements set forth in paragraphs 1(a)(i) through 1(a)(v) above, and
- (b) such certification shall have attached a certified copy of a final order of a court of competent jurisdiction finding that as applicable, Contractor materially breached and defaulted under the Contract, and that Contractor is liable to the State in the amount requested in the draft. Partial drafts will be permitted.

(3) FOR ALL AMOUNTS

- (a) any notice of the issue or the material breach will be specific as to the nature of the issue or the material breach claim and the remedy sought to satisfy such claim;
- (b) drafts shall be drawn periodically upon confirmation of the claim by the State and the Contract with partial drafts will be permitted; and
- (c) all drafts must reference the number and issue date of the performance bond and have attached the certified letter of notice of identifying either the issue or the material breach that was sent to Contractor, as applicable. Draft(s) must clearly specify that they are drawn under the performance bond and must be presented to the issuer not later than thirty (30) calendar days after expiration of the Contract term.

LETTERS OF CREDIT: The State may, but is not obligated to, draw on a letter of credit, as applicable, upon the occurrence of any one of the following events:

- (a) The Contractor owes the State undisputed charges under the Contract that are more than thirty (30) calendar days past due; or
- (b) The Contractor admits its inability to pay its debts as such debts become due, has commenced a voluntary case (or has had an involuntary case commenced against it) under the U.S. Bankruptcy Code or any other law relating to insolvency, reorganization, winding-up, composition or adjustment of debts or the like, has made an assignment for the benefit of creditors or is subject to a receivership or similar proceeding.

If the State draws on a letter of credit, upon request by OGS, the Contractor will provide a replacement or supplemental letter of credit or performance bond conforming to the requirements of this section.

The fact that a letter of credit is requested by the State shall in no way relieve the Contractor from timely compliance with all obligations under this Contract.

At least seven (7) calendar days prior to the expiration of any letter of credit provided by the Contractor as security under the Contract, the Contractor shall renew such letter of credit or provide OGS with evidence that it has obtained a suitable replacement for the letter of credit in the form of a performance bond. If the Contractor fails to comply with the foregoing, the State shall thereafter be authorized to draw down the full amount of such letter of credit and utilize the cash proceeds as security for performance under the Contract. If the Contractor provides additional security deposit in the form of a performance bond as required herein, the Contractor shall renew the performance bond at least seven (7) calendar days prior to the cancellation date of the performance bond. If the Contractor fails to comply with the foregoing, the State shall thereafter be authorized to take action on the performance bond and utilize the cash proceeds as security for performance under the Contract. If the credit rating of any bonding company that has provided the Contractor with a performance bond provided as security hereunder has fallen below "B", OGS will provide Written notice to the Contractor that the Contractor must provide a replacement bond within fifteen (15) calendar days of OGS's Written notice. If the Contractor fails to comply with the foregoing, the State shall thereafter be authorized to take action on the performance bond and utilize the cash proceeds as security for the Contractor's performance under the Contract. Notwithstanding anything contained in the Contract to the contrary, the State shall be authorized to draw down the full amount of any letter of credit or take action on any performance bond provided by the Contractor as security hereunder if the Contractor defaults on its performance under the Contract, as required herein.

8.9 ORDERING.

Purchase Orders shall be made in accordance with the terms set forth in Appendix B, *Purchase Orders*. Authorized Users may submit orders over the phone, and, if available, may submit orders electronically via web-based ordering or e-mail at any time. Orders submitted shall be deemed received by Contractor on the date submitted.

All orders shall reference Contract number, requisition, and/or Purchase Order number (if applicable). Upon Contractor's receipt of an order, confirmation is to be provided to the Authorized User electronically. Order confirmation should be sufficiently detailed, and include, at a minimum, purchase price, date of order, delivery information (if applicable), Authorized User name, and sales representative (if applicable).

8.10 PURCHASING CARD ORDERS.

If the Contractor accepts orders using the State's Purchasing Card (see Appendix B, *Purchasing Card*), also referred to as the Procurement Card, the Contractor shall not charge or bill the Authorized User for any additional charges related to the use of the Purchasing Card, including but not limited to processing charges, surcharges or other fees.

8.11 MINIMUM ORDER.

Minimum order shall be \$100.00. Contractor may elect to honor orders for less than the minimum order. For such orders, at the Contractor's option, shipping costs from the Contractor's address (as stated in bid) may be added to invoice with a copy of the freight bill. Shipping costs are to be prepaid by Contractor and such orders are to be shipped on an F.O.B. destination basis. All such orders must be shipped by the most economical method for the proper delivery of the product unless special instructions are stated on the order by the Authorized User.

8.12 INVOICING AND PAYMENT.

Contractor and the distributors/resellers designated by the Contractor and approved by the State, if any, shall provide complete and accurate billing invoices to each Authorized User in order to receive payment. Invoices shall only be submitted upon receipt of a written, signed, formal acceptance notice for the specified Product by the
November 2020

Authorized User's Purchasing Official. Such notification shall not be unreasonably withheld. Submission of an invoice and payment thereof shall not preclude the Commissioner from requesting reimbursement or demanding a price adjustment in any case where the Product delivered is found to deviate from the terms and conditions of the Contract or where the billing was inaccurate.

Contractor shall provide, upon request of the Commissioner, any and all information necessary to verify the accuracy of the billings. Such information shall be provided in the format requested by the Commissioner and in a media commercially available from the Contractor. The Commissioner may direct the Contractor to provide the information to the State Comptroller or to any Authorized User of the Contract.

Billings for Authorized Users that are State entities must contain all information required by the Contract and the State Comptroller. The Authorized User and Contractor agree that payments for invoices submitted by the Contractor shall only be rendered electronically unless payment by paper check is expressly authorized by the Commissioner, in the Commissioner's sole discretion, due to extenuating circumstances. The State Comptroller shall render payment for Authorized User purchases, and such payment shall be made in accordance with ordinary State procedures and practices. The Contractor shall comply with OSC's procedures to authorize electronic payments. Authorization forms are available at the OSC website at www.osc.state.ny.us, by e-mail at epunit@osc.state.ny.us, or by telephone at 518-486-1255. Contractor acknowledges that it will not receive payment on any invoices submitted under this Contract that are payable by OSC if it does not comply with OSC's electronic payment procedures, except where the Commissioner has expressly authorized payment by paper check as set forth above.

Payment of Contract purchases made by Authorized Users, other than Agencies, shall be billed directly by Contractor on invoices/vouchers, together with complete and accurate supporting documentation as required by the Authorized User. Such payments shall be as mandated by the appropriate governing law from the receipt of a proper invoice. Such Authorized User and Contractor are strongly encouraged to establish electronic payments.

For the following Voting Systems, payment shall be made in accordance with the following Payment Schedule: 80% upon acceptance by the Authorized User and 20% upon use in a successful election.

Unless otherwise specified in the Contract, delivery shall be made within 30 calendar days after receipt of a Purchase Order by the Contractor and shall not be complete until acceptance testing has been completed in accordance with the procedures established for acceptance testing by the SBOE. Said procedures shall comply with §6209.10 and the guidelines established by the SBOE. The Authorized User and the Contractor shall mutually agree to a delivery

The decision of the Commissioner and the SBOE as to compliance with delivery terms shall be final. The burden of proof for delay in receipt of a Purchase Order shall rest with the Contractor. In all instances of a potential or actual delay in delivery, the Contractor shall immediately notify the OGS Contract administrator, the SBOE and the Authorized User, confirm in writing the explanation of the delay, and take appropriate action to avoid any subsequent late deliveries. Any extension of time for delivery must be requested in writing by the Contractor and approved in writing by the Authorized User. Failure to meet such delivery time schedule may be grounds for cancellation of the order or, in the Commissioner and the SBOE's discretion, the Contract.

8.14 CONTRACT ADMINISTRATION.

Contractor must provide OGS at least five (5) Business Days notice prior to making changes to its designated Contract Administrator, Account Manager, Sales Manager, Billing Contact, or Emergency Contact. 8.15 NYS FINANCIAL SYSTEM (SFS).

New York State is currently operating on an Enterprise Resource Planning (ERP) System, Oracle PeopleSoft software, referred to as the Statewide Financial System (SFS). SFS is currently on PeopleSoft Financials version 9.2. SFS supports requisition-to-payment processing and financial management functions.

The State is also implementing an eProcurement application that supports the requisitioning process for State Agencies to procure Products in SFS. This application provides catalog capabilities. Contractors with Centralized Contracts have the ability to provide a "hosted" or "punch-out" catalog that integrates with SFS and is available to Authorized Users via a centralized eMarketplace website. Additional information may be found at: <https://ogs.ny.gov/procurement/emarketplace>

There are no fees required for a Contractor's participation in the catalog site development or management. Upon completion and activation of an on-line catalog, State Agencies will process their orders through the SFS functionality and other Authorized Users can access the catalog site to fulfill orders directly.

The State may be implementing additional PeopleSoft modules in the near future. Further information regarding business processes, interfaces, and file layouts currently in place may be found at: <http://www.sfs.ny.gov> and <http://www.osc.state.ny.us/agencies/guide/MyWebHelp/>.

Contractor is solely responsible for administration, content, intellectual property rights and all materials at Contractor's website. Contractor is solely responsible for its actions and those of its agents, employees, resellers, Subcontractors or assigns, and agrees that neither Contractor nor any of the foregoing has any authority to act or speak on behalf of the State. As applicable, Contractor agrees to comply with the Office of Information Technology Services policy NYS-P08-005 Accessibility of Web-Based Information and Applications, as may be amended, the stated purpose of which is to make State Agency web-based intranet and internet information accessible for persons with disabilities. The following language is incorporated into any Contract resulting from this Solicitation:

8.17 AMERICANS WITH DISABILITIES ACT (ADA).

The federal ADA bars employment discrimination and requires all levels of government to provide necessary and reasonable accommodations to qualified workers with disabilities. Bidder is required to identify and offer any Products it manufactures or adapts that may be used or adapted for use by persons with visual, hearing, or any other physical disabilities. Although it is not Mandatory for Bidder to have these Products in order to receive an award, it is necessary to identify any such Products offered that fall into the above category.

8.18 N.Y. STATE FINANCE LAW § 139-L.

Pursuant to N.Y. State Finance Law § 139-l, every bid made on or after January 1, 2019 to the State or any public department or agency thereof, where competitive bidding is required by statute, rule or regulation, for work or services performed or to be performed or goods sold or to be sold, and where otherwise required by such public department or agency, shall contain a certification that the bidder has and has implemented a written policy addressing sexual harassment prevention in the workplace and provides annual sexual harassment prevention training to all of its employees. Such policy shall, at a minimum, meet the requirements of N.Y. State Labor Law § 201-g.

8.22 CONTRACTOR REQUIREMENTS AND PROCEDURES FOR BUSINESS PARTICIPATION OPPORTUNITIES FOR NYS CERTIFIED MINORITY- AND WOMEN-OWNED BUSINESS ENTERPRISES AND EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITY GROUP MEMBERS AND WOMEN.

I. New York State Law

Pursuant to New York State Executive Law Article 15-A and Parts 140-145 of Title 5 of the New York Codes, Rules and Regulations ("NYCRR"), the New York State Office of General Services ("OGS") is required to promote opportunities for the maximum feasible participation of New York State-certified Minority- and Women-owned Business Enterprises ("MWBEs") and the employment of minority group members and women in the performance of OGS contracts.

II. General Provisions

1. OGS is required to implement the provisions of New York State Executive Law Article 15-A and 5 NYCRR Parts 140-145 ("MWBE Regulations") for all State contracts as defined therein, with a value (1) in excess of \$25,000 for labor, services, equipment, materials, or any combination of the foregoing or (2) in excess of \$100,000 for real property renovations and construction.
2. The Contractor agrees, in addition to any other nondiscrimination provision of the Contract and at no additional cost to OGS, to fully comply and cooperate with OGS in the implementation of New York State Executive Law Article 15-A and the regulations promulgated thereunder. These requirements include equal employment opportunities for minority group members and women ("EEO") and contracting opportunities for MWBEs. Contractor's demonstration of "good faith efforts" pursuant to 5 NYCRR §142.8 shall be a part of these requirements. These provisions shall be deemed supplementary to, and not in lieu of, the nondiscrimination provisions required by New York State Executive Law Article 15 (the "Human Rights Law") or other applicable federal, State or local laws.
3. Failure to comply with all of the requirements herein may result in a finding of non-responsiveness, a finding of non-responsibility, breach of contract, withholding of funds, liquidated damages pursuant to clause IX of this section, and/or enforcement proceedings as allowed by the Contract and applicable law.

III. Equal Employment Opportunity (EEO)

1. The provisions of Article 15-A of the Executive Law and the rules and regulations promulgated thereunder pertaining to equal employment opportunities for minority group members and women shall apply to all Contractors, and any subcontractors, awarded a subcontract over \$25,000, for labor, services, including legal, financial and other professional services, travel, supplies, equipment, materials, or any combination of the foregoing, to be performed for, or rendered or furnished to, the contracting State agency (the "Work") except where the Work is for the beneficial use of the Contractor.
 - a. Contractor and subcontractors shall undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, EEO shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation. This requirement does not apply to: (i) the performance of work or the provision of services or any other activity that is unrelated, separate or distinct from the Contract; or (ii) employment outside New York State.
 - b. By entering into this Contract, Contractor certifies that the text set forth in clause 12 of Appendix A, attached hereto and made a part hereof, is Contractor's equal employment opportunity policy. In addition, Contractor agrees to comply with the Non-Discrimination Requirements set forth in clause 5 of Appendix A.
2. Form EEO 100 - Staffing Plan.

To ensure compliance with this section, the Contractor agrees to submit or has submitted with the Bid a staffing plan on Form EEO 100 to OGS to document the composition of the proposed workforce to be utilized in the performance of the Contract by the specified categories listed, including ethnic background, gender, and federal occupational categories.

The Form EEO-101-Commodities and Services must be submitted electronically to OGS at EEO_CentCon@ogs.ny.gov on a quarterly basis during the term of the Contract by the 10th day of April, July, October, and January.
 - b. Separate forms shall be completed by Contractor and any subcontractor.
 - c. In limited instances, the Contractor or subcontractor may not be able to separate out the workforce utilized in the performance of the Contract from its total workforce. When a separation can be made, the Contractor or subcontractor shall submit the Form EEO-101-Commodities and Services and indicate that the information provided relates to the actual workforce utilized on the Contract. When the workforce to be utilized on the Contract cannot be separated out from the Contractor's or subcontractor's total workforce, the Contractor or subcontractor shall submit the Form EEO-101-Commodities and Services and indicate that the information provided is the Contractor's or subcontractor's total workforce during the subject time frame, not limited to work specifically performed under the Contract.
4. Contractor shall comply with the provisions of the Human Rights Law, all other State and federal statutory and constitutional non-discrimination provisions. Contractor and subcontractors shall not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the

requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

IV. Contract Goals

8.23 PARTICIPATION OPPORTUNITIES FOR NEW YORK STATE CERTIFIED SERVICE-DISABLED VETERAN OWNED BUSINESSES.

Article 17-B of the New York State Executive Law provides for more meaningful participation in public procurement by certified Service-Disabled Veteran-Owned Businesses ("SDVOBs"), thereby further integrating such businesses into New York State's economy. OGS recognizes the need to promote the employment of service-disabled veterans and to ensure that certified service-disabled veteran-owned businesses have opportunities for maximum feasible participation in the performance of OGS contracts.

In recognition of the service and sacrifices made by service-disabled veterans and in recognition of their economic activity in doing business in New York State, Bidders/Contractors are strongly encouraged and expected to consider SDVOBs in the fulfillment of the requirements of the Contract. Such participation may be as subcontractors or suppliers, as protégés, or in other partnering or supporting roles.

For purposes of this procurement, OGS conducted a comprehensive search and determined that the Contract does not offer sufficient opportunities to set specific goals for participation by SDVOBs as subcontractors, service providers, and suppliers to Contractor. Nevertheless, Bidder/Contractor is encouraged to make good faith efforts to promote and assist in the participation of SDVOBs on the Contract for the provision of services and materials. The directory of New York State Certified SDVOBs can be viewed at: <https://ogs.ny.gov/Veterans/>

The State may discontinue use of and/or delete from contract selected products as mandated by any NYS energy legislation that is enacted during the term of this contract. The Contractor shall have no recourse with the State for such discontinuance/deletion.

The replacement machine will have a new machine warranty identical to the original machine (not less than five (5) years from the date of acceptance of the Product by an Authorized User).

New York State recognizes that these packaging methods are in the development stage and may not be currently available. Authorized Users are urged to inquire about these programs at the time of purchase and determine the best solution for their needs.

Contractor shall not require an Authorized User to surrender the hard drive, as an Authorized User may wish to retain the hard drive for security purposes. Contractor shall advise the Authorized User in advance if the retention of the hard drive results in additional fees or reduction in trade-in value. It is recommended that an Authorized User use a procedure for ensuring the destruction of confidential data stored on hard drives or other storage media that meets or exceeds the National Institute of Standards and Technology ("NIST") Guidelines for Media Sanitation as found in NIST Special Publication 800-88.

It also requires that such vehicles owned, operated by or on behalf of, or leased by State Agencies and State or regional public authorities with more than half of its governing body appointed by the Governor utilize BART.

The Law may be applicable to vehicles used by Contractors "on behalf of" State Agencies and public authorities and require certain reports from Contractors. All heavy duty diesel vehicles must have BART by the deadline provided in the Law. The Law also provides a list of exempted vehicles. Regulations set forth in 6 NYCRR Parts 248 and 249 provide further guidance. The Bidder hereby certifies and warrants that all heavy duty vehicles, as defined in the Law, to be used under this Contract, will comply with the specifications and provisions of the Law, and 6 NYCRR Parts 248 and 249.

8.32 NYS VENDOR RESPONSIBILITY.

OGS conducts a review of prospective Contractors ("Bidders") to provide reasonable assurances that the Bidder is responsive and responsible. A For-Profit Business Entity Questionnaire (hereinafter "Questionnaire") is used for non-construction Contracts and is designed to provide information to assess a Bidder's responsibility to conduct business in New York based upon financial and organizational capacity, legal authority, business integrity, and past performance history. By submitting a Bid, Bidder agrees to fully and accurately complete the Questionnaire. The Bidder acknowledges that the State's execution of the Contract will be contingent upon the State's determination that the Bidder is responsible, and that the State will be relying upon the Bidder's responses to the Questionnaire, in addition to all other information the State may obtain from other sources, when making its responsibility determination.

OGS recommends each Bidder file the required Questionnaire online via the New York State VendRep System. To enroll in and use the VendRep System, please refer to the VendRep System Instructions and User Support for Vendors available at the OSC website at <http://www.osc.state.ny.us/vendors/index.htm> or to enroll, go directly to the VendRep System online at <https://portal.osc.state.ny.us>.

Vendors must provide their New York State Vendor Identification Number when enrolling. For information on how to request assignment of a Vendor ID, see the *NYS Vendor File Registration* section. OSC provides direct support for the VendRep System through user assistance, documents, online help, and a help desk. The OSC Help Desk contact information is located at <http://www.osc.state.ny.us/portal/contactbuss.htm>. Bidders opting to complete and submit the paper questionnaire can access this form and associated definitions via the OSC website at http://www.osc.state.ny.us/vendrep/forms_vendor.htm.

In order to assist the State in determining the responsibility of the Bidder prior to Contract award, the Bidder must complete and certify (or recertify) the Questionnaire no more than six (6) months prior to the Bid due date. A Bidder's Questionnaire cannot be viewed by OGS until the Bidder has certified the Questionnaire. It is recommended that all Bidders become familiar with all of the requirements of the Questionnaire in advance of the Bid opening to provide sufficient time to complete the Questionnaire.

The Bidder agrees that if it is awarded a Contract the following shall apply:

The Contractor shall at all times during the Contract Term remain responsible. The Contractor agrees, if requested by the Commissioner of OGS, to present evidence of its continuing legal authority to do business

in New York State, integrity, experience, ability, prior performance, and organizational and financial capacity.

The Commissioner of OGS, in his or her sole discretion, reserves the right to suspend any or all activities under this Contract, at any time, when he or she discovers information that calls into question the responsibility of the Contractor. In the event of such suspension, the Contractor will be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the Contractor must comply with the terms of the suspension order. Contract activity may resume at such time as the Commissioner of OGS issues a written notice authorizing a resumption of performance under the Contract.

The Contractor agrees that if it is found by the State that Contractor's responses to the Questionnaire were intentionally false or intentionally incomplete, on such finding, the Commissioner may terminate the Contract.

Upon written notice to the Contractor, and a reasonable opportunity to be heard with appropriate OGS officials or staff, the Contract may be terminated by the Commissioner of OGS at the Contractor's expense where the Contractor is determined by the Commissioner of OGS to be non-responsible. In such event, the Commissioner of OGS may complete the contractual requirements in any manner he or she may deem advisable and pursue available legal or equitable remedies for breach.

In no case shall such termination of the Contract by the State be deemed a breach thereof, nor shall the State be liable for any damages for lost profits or otherwise, which may be sustained by the Contractor as a result of such termination.

8.33 NYS TAX LAW SECTION 5-A.

Tax Law § 5-a requires certain Contractors awarded State Contracts for commodities, services and technology valued at more than \$100,000 to certify to NYS Department of Taxation and Finance (DTF) that they are registered to collect New York State and local sales and compensating use taxes. The law applies to Contracts where the total amount of such Contractors' sales delivered into New York State is in excess of \$300,000 for the four quarterly periods immediately preceding the quarterly period in which the certification is made, and with respect to any affiliates and Subcontractors whose sales delivered into New York State exceeded \$300,000 for the four quarterly periods immediately preceding the quarterly period in which the certification is made.

A Contractor is required to file the completed and notarized Form ST-220-CA with the Bid to OGS certifying that the Contractor filed the ST-220-TD with DTF. Only the Form ST-220-CA is required to be filed with OGS. The ST-220-CA can be found at https://www.tax.ny.gov/pdf/current_forms/st/st220ca_fill_in.pdf. The ST-220-TD can be found at https://www.tax.ny.gov/pdf/current_forms/st/st220td_fill_in.pdf. Contractor should complete and return the certification forms within five (5) Business Days of request (if the forms are not completed and returned with Bid submission). Failure to make either of these filings may render a Contractor non-responsive and non-responsible. Contractor shall take the necessary steps to provide properly certified forms within a timely manner to ensure compliance with the law. The ST-220-TD only needs to be filed once with DTF, unless the information changes for the Contractor, its affiliates, or its Subcontractors.

Vendors may call DTF at 518-485-2889 with questions or visit the DTF web site at <https://www.tax.ny.gov/> for additional information.

These include, but are not limited to, local governments, public authorities, public school and fire districts, public and nonprofit libraries, and certain other nonpublic/nonprofit organizations. See Appendix B, *Participation in Centralized Contracts*. For Purchase Orders issued by the Port Authority of New York and New Jersey (or any other authorized entity that may have delivery locations adjacent to New York State), the terms of the *Price* clause shall be modified to include delivery to locations adjacent to New York State.

Upon request, all eligible Non-State Agencies must furnish Contractors with the proper tax exemption certificates and documentation certifying eligibility to use State contracts. A list of categories of eligible entities is available on the OGS web site (<https://online.ogs.ny.gov/purchase/snt/othersuse.asp>). New York State reserves the right to negotiate additional Discounts based on any increased volume generated by such extensions.

8.36 NEW ACCOUNTS.

Contractor may ask State Agencies and other Authorized Users to provide information in order to facilitate the opening of a customer account, including documentation of eligibility to use New York State Contracts, agency code, name, address, and contact person. Authorized Users and SBOE shall not be required to provide credit references.

8.37 CENTRALIZED CONTRACT MODIFICATIONS.

1. OGS, an Authorized User, or the Contractor may suggest modifications to the Centralized Contract or its Appendices. Except as specifically provided herein, modifications to the terms and conditions set forth herein may only be made with mutual written agreement of the parties. Modifications may take the form of an update or an amendment. "Updates" are changes that do not require a change to the established Centralized Contract terms and conditions. A request to add new Products at the same or better price level is an example of an update. "Voting Systems Updates," as defined in Appendix C, *Contract Modification Procedure*, are changes related to a SBOE approved Voting System. All such changes are subject to the prior approval of SBOE, proof of which must be provided by the Contractor along with the Appendix C, Contract Modification Form. "Amendments" are any changes that are not specifically covered by the terms and conditions of the Centralized Contract, but inclusion is found to be in the best interest of the State. A request to change a contractual term and condition is an example of an amendment.
2. Updates to the Centralized Contract and the Appendices may be made in accordance with the contractual terms and conditions to incorporate new Products, make price level revisions, delete Products, or to make such other updates to the established Centralized Contract terms and conditions, not resulting in a change to such terms and conditions, which are deemed to be in the best interest of the State.
3. OGS reserves the right to consider modifications which are not specifically covered by the terms of the Centralized Contract, but are judged to be in the best interest of the State. Such modifications are deemed amendments to the Centralized Contract and may require negotiations between Contractor and OGS before execution.
4. All modifications proposed by Contractor shall be processed in accordance with Appendix C, *Contract Modification Procedure*. The Contractor shall submit all requests in the form and format contained in Appendix C, *Contract Modification Procedure*. The form contained within Appendix C is subject to change at the sole discretion of OGS.
5. Modifications proposed by OGS or an Authorized User, including updates and amendments, shall be processed in accordance with the terms of the Centralized Contract and Appendix B, *Modification of Contract Terms*.

In no case will any travel reimbursement be paid for charges that exceeds the per diem rates provided at the above link. All travel will be paid only as specified within the Purchase Order and must be billed with the associated services on the same invoice with receipts attached.

The Contractor shall receive prior approval from the Authorized User for any travel that occurs during the term of a Purchase Order. Parking fees and/or parking tickets shall not be paid by an Authorized User.

Unless otherwise specified in writing by the Authorized User, a vehicle will not be provided by Authorized User to the Contractor for travel. Therefore, the Contractor will be responsible for ensuring that the Contractor has access to an appropriate vehicle (e.g., personal vehicle or rental vehicle) or common carrier with which to carry out any necessary travel.

For the Contractor to obtain reimbursement for the use of a rental vehicle, such use must be justified as the most cost-effective mode of transportation under the circumstances (including consideration of the most effective use of time).

The Contractor is responsible for keeping adequate records to substantiate any claims for travel reimbursement.

All services provided under the resultant Purchase Order must be performed within CONUS.
