The Emergency Food Assistance Program (TEFAP)
TEFAP

- Federal program hosted by the Food and Nutrition Service (FNS) branch of the United States Department of Agriculture (USDA)

- The goal of the program is to help supplement the diets of low-income Americans by providing them with emergency food assistance at no cost

- States receive both food and administrative funding from the USDA
  - Administrative funding normally is received through grants and is used to cover the storage and distribution of USDA Foods
  - New York State **DOES NOT** receive funding to purchase food.
  - Food is ordered through Entitlement & Bonus Offers
Administrative Funding

• There are several types of Administrative Funding: Regular, Convertible and Recovered
• These funds are received through grant award documents and our processed by our finance department. (This does not apply to Trade Mitigation funding.
• New York State distributes over 98% of State Administrative Funding to food banks and has to match any funds kept for the program.

### NEW YORK

Office of General Services
Food Distribution
TEFAP Includes Food & Administrative Funding

- Entitlement & Bonus

- Food Purchase Distribution Program (FPDP – previously known as Trade Mitigation)

- Families First Coronavirus Relief Act (FFCRA)

- Coronavirus Aide, Relief, and Economic Stimulus (CARES) Act – (All monies spent at this time)

- The Coronavirus Response and Relief Supplemental Appropriations Act, 2021
TEFAP is Governed by

7 Code of Federal Regulations (CFR) part 251 - THE EMERGENCY FOOD ASSISTANCE PROGRAM

and the following associated regulations as applicable:

- **7 CFR part 250** - DONATION OF FOODS FOR USE IN THE UNITED STATES, ITS TERRITORIES AND POSSESSIONS AND AREAS UNDER ITS JURISDICTION
- **2 CFR part 200** - UNIFORM ADMINISTRATIVE REQUIREMENTS, COST PRINCIPLES, AND AUDIT REQUIREMENTS FOR FEDERAL AWARDS
- **2 CFR part 400** - UNIFORM ADMINISTRATIVE REQUIREMENTS, COST PRINCIPLES, AND AUDIT REQUIREMENTS FOR FEDERAL AWARDS
- **2 CFR part 416** - GENERAL PROGRAM ADMINISTRATIVE REGULATIONS FOR GRANTS AND COOPERATIVE AGREEMENTS TO STATE AND LOCAL GOVERNMENTS
State Distributing Agency (SDA)
• The USDA delegates an agency in each state to administer TEFAP program in their state. These agencies are known as the State Distributing Agency (SDA)
Agreements

USDA & NYS

NYS & Foods Banks

Food Banks and Recipient Agencies
State Distributing Agencies Responsibilities

• State Distribution Plan
• Establish Eligibility Requirements
• Distribution of Administrative Funding & Food
• Reconciling Food Bank Monthly Inventory Reports
• Physical Inventory
• Food Bank Administrative Reviews
• Recipient Agency Administrative Reviews
• Disaster Household Distribution
State Distribution Plan

- Defines many TEFAP related definitions
- Describes the purpose and scope of the distribution plan
- Includes which food banks New York State has agreements
- Which counties each of the food bank serves
- Two-tier priority distribution plan
- Explains how fair shares are calculated
- Distribution Method
- Recipient Eligibility Requirements
Calculating USDA Fair Share

USDA Fair Share Calculation
• 60% Poverty Level
• 40% Unemployment level
• NYS fair share of the TEFAP program is about 6%

NYS Food Bank Fair Share Calculation is based off poverty level
• Sum of persons living at or below the poverty level for all counties a food bank services
• Divided by the total persons living in poverty in NYS
• Equals a food banks fair share. This is calculated in each September and starts October 1 each year (follows the federal fiscal year)
Eligibility for Prepared Meals
There are no federal standards or procedures for determining an individual’s eligibility to receive prepared meals. They are presumed to be needy because they seek meals at an approved TEFAP site. Sites do not have to maintain records of the names of participants to whom they serve meals but must keep a count of the number of meals served.

Eligibility Criteria for Household Distribution
In accordance with federal regulations 7 CFR 251.5(b) and 251.10 (a) (3), the New York State Office of General Services has established eligibility criteria which must be met for a household to qualify to receive TEFAP products. (For the purposes of this program, household is defined as any of the following individuals or groups of individuals, exclusive of boarders or residents of an institution:

1. An individual living alone;
2. An individual living with others, but customarily purchasing food and preparing meals for home consumption separate and apart from the others;
3. A group of individuals living together who customarily purchase and prepare meals in common for home consumption; and
4. Other individuals or groups of individuals, as provided in FNS regulations specific to particular food assistance programs.

The household must reside in New York. Length of residency is not used as an eligibility criterion.
And meet one of the following criteria:

- In order to be eligible to receive household TEFAP products, the total household income for all household members must be at or below 200% of federal poverty guidelines.
- If a State of Emergency is declared by the Governor of the State of New York, OGS Food Distribution may temporarily increase the total household income threshold for all household members to be at or below 300% of the federal poverty guidelines in areas impacted by the State of Emergency.
- Applicants who participate in one or more of the following programs – Supplemental Nutrition Assistance Program (SNAP), Women, Infants, and Children (WIC), Food Distribution Programs on Indian Reservations (FDPIR), Temporary Assistance to Needy Families (TANF), Medicaid, Free and Reduced School Meals or Supplemental Security Income (SSI) are automatically eligible for the TEFAP program.

Federal regulations do not require that an applicant household provide independent verification of income, for example, pay stubs. Therefore, the New York State Office of General Services does not impose stricter eligibility standards. However, in compliance with 7 CFR 251.10(a) (4), a TEFAP self-declaration or attestation form is to be used by eligible recipient agencies in determining TEFAP program eligibility.

Each household applicant is required to complete the self-declaration or attestation form at a minimum of once per year. This form includes the applicant’s name, address, the number of persons in the household, type of eligibility provided, and the applicant’s signature.
Food Bank Administrative Reviews

• New York State must perform an administrative review of 25% of our food banks every year.
• If there are findings at a food bank, this may result in more frequent reviews
• We will ask to review documentation including, but not limited to:
  • The Agreement between Food Bank and NYS
  • Completed Agreements between Food Banks and RA's
  • Completed site monitoring
  • BOL's of received USDA Foods
  • Insurance documentation
  • Intake Forms
• Civil Rights compliance and signage
Recipient Agency Reviews

- New York State is mandated to complete at least 20 reviews annually
- These are now scheduled in advance
- We will review the following documentation:
  - Agreement between the Food Bank and the Recipient Agency
  - Review intake forms (annual attestation) for completion
  - Civil Rights Training log
  - Pest control logs
  - Tax exempt status
  - Signage for the “Justice For All” poster, Client Bill of Rights and Agency Bill of Rights
  - Program Flyers and how information is disseminated to program participants
  - Non-discrimination statement when appropriate
- Facility Review
- We ask about their ordering and delivery
- Ask about overall satisfaction with the food bank and if there are any issues.
Physical Inventory of USDA Foods

• Happens at least once annual
• A facility review will also take place at that time
• A completed book inventory (Monthly Inventory Report) must be provided before or upon our arrival
• OGS will count every case of USDA Food
• This count will be verified against the book inventory and any discrepancies will be noted.
• The food bank may be billed for any missing cases
Agreement between New York State & Food Banks

• Food banks must qualify as an Emergency Feeding Organization
• Food banks must have a separate TEFAP Agreement with recipient agencies
• Food banks cannot charge any money, materials or services in connection with the receipt of TEFAP food
• Food banks should be mindful of gaps and duplication in service areas when selecting recipient agencies
• Food banks must comply with federal and state civil rights laws.
• The food bank will utilize the Web-Based Supply Chain Management (WBSCM) to place all USDA Food Orders, monitor incoming shipments and receipt for loads.
• Food bank will comply with [FNS Instruction 709-5 Rev 3. Shipment and Receipt of USDA Foods](#)
• USDA Foods will only be delivered to the designated delivery location listed in this agreement.
Agreement between New York State & Food Banks continued

• Food may not be stored at a location not listed in this agreement without prior approval from OGS.
• Food banks will notify OGS 45 days prior to delivery if they cannot accept a scheduled delivery.
• If food is out of condition upon delivery, food bank will notify OGS immediately, and wait further instruction before accepting or rejecting the load.
• Food bank will note any discrepancies on all copies of the BOL before the driver leaves the location.
• Food banks will store product in accordance with the nature of the product.
• Food bank will use first in first out, except where package dates precedes that of earlier shipments.
• Food banks agree to keep the premises clean and protected from infestation and maintain a passing score on the NYS Ag and Mkts inspections. Food must be 12” from walls and 6” from floors.
Agreement between New York State & Food Banks continued

• Food bank will not leave any damaged product exposed where undamaged food product is stored. Floors will be clean, cartons will be dust free. Chemicals, detergents, solvents and cleaners may not be stored above, beneath or next to USDA Foods. They should be stored separately
• Monthly reports are due by the 10th of each month
• Food bank will distribute food to designated TEFAP agencies and have related BOL or pick slips.
• Food banks will collect the number of households and individuals being served each month.
• All records should be maintained for 3 years plus current.
• Food banks will monitor distribution sites. At least 25% of sites must be reviewed each year and the largest five sites must be reviewed annually.
• Food banks will submit an annual listing of all sites, noting sites reviewed each year.
Agreement between New York State & Food Banks continued

• Food bank will investigate any complaints received in connection with USDA Foods.
• Food banks will use administrative funding in accordance with 7 CFR part 251.
• Food banks will comply with Circular A-133
Food Banks Responsibilities

- WBSCM Receipting – 2 calendar days

Annual Financial Reports

- Food banks are required to submit Financial Reports to OGS every year no later than nine months from the fiscal year end. OBM Circular A-133
- Food banks can get information about Catalog of Federal Domestic Assistance (CFDA) numbers by reaching out to OGS
- OGS reviews these reports to ensure that food bank expenses exceeded what was paid out by administrative funding
Agreement Between Food Banks and Recipient Agencies

- Separate TEFAP Agreement
  - Civil rights assurances
  - Length of documentation on hand
  - Reporting
  - Participant eligibility guidelines
  - Allowing visits from the USDA and OGS
- Must be reviewed and approved by OGS
Recipient Agency Responsibilities

• Annual Attestations of Eligibility
• Disseminate Program Information to Participants
• Report Inventory Adjustments and Damages to the food bank
• Provide Updated Contact Information
• Track Annual Civil Rights Training
• Annual Financial Reports – (If they receive greater than $750,000 of federal assistance)
Annual Attestations

• Food for home consumption (food pantries)
• Should contain:
  • name,
  • address,
  • number of people in the household,
  • Which eligibility guideline was used,
  • Signature,
  • Non-discrimination statement
• Once annually
Civil Rights

The U.S. Department of Agriculture prohibits discrimination in all its programs and activities on the basis of race, color, national origin, age, disability, and where applicable, sex, marital status, familial status, parental status, religion, sexual orientation, genetic information, political beliefs, reprisal, or because all or part of an individual’s income is derived from any public assistance program. Not all prohibited bases apply to all programs.

The TEFAP Program and applicable protected bases:
1. Race
2. Color
3. National Origin
4. Age
5. Sex
6. Disability

All food banks in New York will need to read, understand and apply all USDA policies as outlined in FNS-113-1.
Entitlement vs Bonus

- **Entitlement** – Catalog of USDA Available Food List
  - Orders draw down on entitlement in WBSCM
- **Bonus** is offered on a case by case basis by the USDA. Quite often there is a very fast turn around on these.
  - Sometimes they are offered in trucks
  - Sometimes in dollars
Entitlement vs Bonus Continued

• Both are calculated using fair share percentage, but with Bonus we often have to make adjustments based on the USDA ordering restrictions.

• If a food bank does not accept a Bonus, this may be offered to another food bank.

• Regarding Bonus – only accept if you can store and distribute:
  • Within 6 months and well before the expiration date.
  • Entitlement and administrative funding are estimated based on last years numbers until the federal government budget is approved.
State and Food Bank Ordering Restrictions

- The state must order in full truck loads
- No more than 3 stops all within a days drive
- Must be at least a quarter truck per stop

Delivery Periods

- Two windows each month by which the vendor may deliver your order
- 15th & 30th except for Fresh Product
- A Requested delivery date of 6/15/21 in WBSCM means that you are requesting that the product be delivered between the 1st and the 15th of the month
Ordering Process

Food Bank → NYS → NERO → DC (National) → Bid Document → Bid Award → Purchased → Delivered
Food Purchase Distribution Program (Trade Mitigation)

In 2018, the Trump administration and the United States Department of Agriculture launched a trade mitigation plan to help farmers affected by trade tariffs enforced by China. This package falls under TEFAP, a larger federal program that purchases unsold food and redistributes it to food assistance programs.

The Trade Mitigation purchase program assisted agricultural producers impacted by foreign tariffs. USDA’s AMS was able to purchase 1,009,893,959 pounds of domestic commodities impacted by trade retaliation, dispensing $1.14 billion in mitigation funds to-date, with all purchases complete. The USDA will authorize up to $12 billion in various programs.

Producers of certain commodities can now sign up for the Market Facilitation Program (MFP), while USDA will also begin to purchase identified commodities under a food purchase and distribution program. AMS issues solicitations on an ongoing basis for over 200 different USDA Foods. Approved USDA Vendors are invited to submit offers via the Web-Based Supply Chain Management System (WBSCM).

Families First Coronavirus Response Act (FFCRA)

The FFCRA provides $400 million in additional food funding for TEFAP State agencies in fiscal year 2020. Of that $400 million, up to $100 million is available for conversion into administrative funds.

In total, State agencies elected to receive $88 million in administrative funding.
The Coronavirus Aid, Relief, and Economic Security Act (CARES)

On March 27, 2020, the President signed the Coronavirus Aid, Relief, and Economic Security Act (PL 116-136, CARES Act), which provides $450 million in supplemental funding for TEFAP for FY 2020. Up to $150 million of the supplemental funding is available as administrative funds and the remaining amount will be made available as food funds. The assistance offered through the CARES Act must be used to “prevent, prepare for, and respond to coronavirus.” In order to accept their share of these funds, states must submit a short written statement that explains how these funds will be used to meet this purpose. States that cannot meet that criterion are encouraged to turn back the assistance so that it may be reallocated to states that will be able to use it for that purpose.
The Coronavirus Response and Relief Supplemental Appropriations Act, 2021

The Coronavirus Response and Relief Supplemental Appropriations Act of 2021 was signed into law on December 27, 2020. The Act provides $900 billion to combat the COVID-19 pandemic.

$400 million in The Emergency Food Assistance Program (TEFAP) food banks
Priority of Use of FY 2021 Food Funds

1. CARES – all used at this time
2. FFCRA – still some funds available
3. CRRSA – funds have not been released yet
4. Entitlement Funds – there will be about 11 million in carryover from 2020
