1			<p>The tanks that are indicated for storage for Propane at each county – are these company or leased tanks, or are they owned by the Counties?</p> <p>-We are enquiring as information especially for the larger storage tanks – 30k tanks that are listed?</p> <p>-Is there a published schedule that shows ownership of tanks?</p>	<p>Tank information, including ownership, is provided by Authorized Users at the time they are submitting their filed fuel requirements to OGS Procurement Services. Any information that was obtained from the Authorized Users has been included in the Delivery Schedules - Attachments 10 and 11 (PDFs). Bidders can confirm or obtain missing tank information directly from the Authorized Users by contacting them.</p>
2			<p>when submitting a bid for a county – is it required as an “all or nothing” bid of the product. Example – there are Cylinders, 33, 20 lbs, and Bulk – Do we need to bid on all categories or can we bid specifically on the Bulk business?</p>	<p>In accordance with the Invitation for Bids (IFB) Section 5.1 Method of Award that states, "...Bidder must bid all items (each size/type of cylinder) listed within a county with requirements to be considered to have a complete bid for that county."</p>
