Corporation

# Supplier Diversity Industry Day

## Information Technology

**Date:** December 14, 2023

**Time:** 10 a.m. – 2 p.m.

**Location:** 123 Main Street, Jaguar Rm.,  
White Plains, NY

### Registration Required

The **New York Power Authority (NYPA)** and **New York State Canal Corporation** invite minority, women, service-disabled veteran-owned, small/local business leaders, and their representatives to attend Supplier Diversity Industry Day focused on **Information Technology** sector including commodities and services to power the transformative utility sector and reimagine the historic canal system.

### This event will also create opportunities for attendees to:

- **participate** in one-on-one networking sessions with NYPA/Canals procurement decision-makers and key contractors on major projects
- **gain** information about NYPA's Supplier Diversity Program to grow your business
- **understand** how to fulfill NYPA/Canal requirements

*For 40 years, our Supplier Diversity program has helped companies to grow and compete on NYPA, State and local contract opportunities.*
