The **Available for Direct Delivery (Brown Box)** is the amount of entitlement available after you've set aside funds to use USDA DoD Fresh. This is how much you are budgeting for brown box.

The **Total Value of Brown Box Entered Below** will change as you enter the number of cases you will need for each product in the table.

The **Remaining Budget** is the amount of entitlement left available for brown box.

Once you've entered the amount to set aside for these programs, the worksheet will update automatically.

Step 5: Enter the number of cases you will need for each product in the Enter Total Number of Cases column of the table (yellow).
