

## WHAT IS ACDA?

ACDA is a professional association with the purpose of strengthening the impact of the United States Department of Agriculture (USDA) Food Distribution Programs.

ACDA is an organization that promotes growth, consumption and access of United States agriculture from Farm to the Table!

## HISTORY OF ACDA

ACDA is celebrating 49 years of successfully promoting the USDA Foods Distribution Programs as a means of strengthening the American agricultural economy and providing access to food to all Americans.

There's more work to be done and our collective voice can continue to grow stronger with YOU.

**Please join us today!**

## WHAT DOES ACDA DO?

A **collective voice** for legislative and administrative policy decisions impacting USDA Foods Distribution Programs designed to provide food assistance and access to all Americans.

Provides up-to-date **relevant information** on USDA Foods Distribution Programs Policies.

A hub of experts that provide **education, training, knowledge, and resources** for successful and efficient management of USDA Foods Distribution Programs.

Facilitates **collaboration of stakeholders** working to manage the food supply chain cycle.

Acts as a bridge for partnerships amongst **diverse groups of leaders** in the field of USDA Foods Distribution Programs.

Networking and promoting relationship building with stakeholders **across the country.**

**ACDA**  
AMERICAN COMMODITY DISTRIBUTION ASSOCIATION

**Working Together  
to Nourish the  
Nation**

# ACDA PILLARS OF SUCCESS

## GUIDANCE

Be the respected resource and voice of the domestic USDA food supply chain in guiding public policy development.

## COLLABORATION

Provide access and facilitate the exchange of information among a diverse alliance of stakeholders.

## STRENGTH

Sustain a dynamic, nationally recognized organization.

## EDUCATION

Serve as the definitive resource for domestic USDA Foods Distribution Programs through a variety of educational opportunities.

# WHY JOIN ACDA?

## 1 MEMBER BENEFITS

- Up-To-Date News on Current & Upcoming Policy and Guidelines
