NYS Contract Reporter

- Official publication of procurement for all NYS agencies, public authorities, and public benefit corporations
- Must advertise procurements of \$50,000 or more when soliciting bids for commodities, services, and construction projects
- Cities, towns, villages, school/water/fire districts, libraries, and eligible not-for-profits can also advertise

The screenshot shows the homepage of the NYS Contract Reporter website. At the top left, there are three statistics: 'Opportunities posted today' (36), 'Opportunities posted in the last 7 days' (173), and 'Total available opportunities' (827). To the right of these statistics is the NYS logo and the text 'The New York State Contract Reporter' with the tagline 'NYS official source of contracting opportunities. Bringing business and government together.' There is a 'Login' button and a 'Sign up and register for your free account' button with a 'Click here to get started' link. Below this is a navigation bar with three options: 'I want to find contracts to bid on', 'I want to advertise opportunities', and 'Learn about the New York State Business Registry'. The main content area features four large buttons: 'I want to find contracts to bid on' (green), 'I want to advertise opportunities' (blue), 'Learn about the New York State Business Registry' (brown), and 'Learn about doing business with New York' (purple).
